

What is a Family-School Compact?

A Title I Family-School Compact for Achievement is an agreement that parents, students and teachers

develop together. It explains how parents and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level standards.

Talahi is a Schoolwide Title 1 school. The goal of a Schoolwide Title 1 program is to ensure that all students, particularly low achieving students, demonstrate proficient and advanced levels of achievement.

School Goals

Positive Climate & Culture – Integrating social-emotional learning and supports through the use of the Conscious Discipline framework. Priorities include communication with student and home, maintaining a positive and caring demeanor, and building respectful and supportive classrooms.

Family Engagement – Create school-based connections that bring together families, educators, and community. Priorities include communication with students and the home, building respectful and supportive classrooms, and maintaining open communication with the school community.

Supporting Partnerships

Activities to Support Partnerships

Goal Setting Conferences

- Aug. 30
- Sept. 5

Student-Led Parent Teacher Conferences

2:50-7:30 p.m.

- Nov. 2 & 9
- Feb. 20 & 29

TLC (Talahi Lincoln Community) Fall Festival

- Oct. 12, 4-6 p.m.

TLC (Talahi Lincoln Community) Spring Picnic

- Date/Time TBD

Family Visit Days

Look for teacher invite.

Title I

Family-School Compact for Achievement

Focus for Student Success

Communicating About Learning

Talahi is committed to communicating regularly with families about their children's learning. Some of the ways parents can expect to receive communication include:

- Home/school take-home folders
- Monthly school newsletter
- Seesaw

District 742 Mission

The Mission of St. Cloud Area School District 742 is to create a safe and caring climate and culture in which we prepare, engage, educate, empower and inspire all learners in partnership with their surrounding community to be successful in today's and tomorrow's society.

Questions? Parents can contact their child's teacher to check on progress.

In the Classroom

District 742 schools work with students and families to support student success in reading and math. Some key connections with families include:

- District and school website resources to support and challenge student learning. Access is available at www.isd742.org.
- Minnesota Reading Corps provides one-on-one support for kindergarten through third grade students.
- ADSIS (Alternative Delivery of Specialized Instructional Services) provides additional small group support in reading and math.
- Lexia – Core 5 reading is an adaptive program that supports students with mastery of literacy skills.
- Moby Max provides adaptive learning in K-8 subjects.

At Home

Reading and math take practice. Here are a few ideas to help with that. Families may have other ideas to add to this list.

- Set up a routine to have your student log in to Lexia every day at home for 20 minutes.
- Read everyday with your child. PAKRAT (Partners and Kids Reading A Lot Together) provides a different book each school day for students to bring home and read for 20 minutes. Your student may also select a book to read from their home reading library.
- Have your student log in to Moby Max and work on their fact fluency.
- Play word games with new vocabulary words and find ways to use these words in family conversations.
- Be informed by looking for the school newsletter posted each month on Seesaw.
- Connect to any of the virtual activities on the website.

Suggestions for Success

Students may want to try the following ideas to make connections between learning at home and at school:

- Have your student log in to Lexia! Personalized learning program for students increases their literacy skills.
- Access Seesaw to review your student's learning and see examples of their work.
- Read, read, read! Establish an at-home reading routine to support student practice. All Talahi students will be given an At-Home Reading Library to give them access to books to read at home.
- Check out the Talahi Symboloo page for available links to learning sites.
