In my hope-chance of change
I don't regret because I'm ready
I would like to rise and become
my own man, a free man, a man
I think you know the name
I would like to rise and become
my own man, a free man, a man
I think you know the name
I would like to rise and become
my own man, a free man, a man
I think you know the name

I shot a bird
because my
grandma went
to a nursing home

visited her we
always saw birds.
It reminds me
of really birds

My puppet lives on a farm.
His name is Moo Moo.
He's the friendliest cow you'll ever
meet.
