

ST. CLOUD AREA SCHOOL DISTRICT 742

IS YOUR CHILD READY FOR SCHOOL?

Immunization requirements for entrance into Kindergarten:

Immunization	Dosage information
❖ 5 DTP (Diphtheria, tetanus, pertussis)	Last shot prior to Kindergarten entrance
❖ 4 Polio	Last shot prior to Kindergarten entrance
❖ 2 MMR (Measles, mumps, rubella)	1 st dose after 12 months of age, 2 nd dose before Kindergarten
❖ Hepatitis B	Series of three
❖ 2 Varicella	Documentation of vaccine, documentation of disease or exemption NEW for 2010! Physician signature is required for proof of disease

Please note: Exemptions will be allowed for children with medical contraindications or parents whose conscientiously held beliefs are opposed to immunizations. A notarized statement must be submitted to the school nurse/building principal.

Your child's immunizations need to be current in order for them to attend school. The immunization form needs to be completed and returned to your child's school by August 15th.
