

1971 Tech and Apollo Class Reunion

Our 40th (can you believe it?) Tech and Apollo Class Reunion is fast approaching in 2011. A lot of preparation and planning begins a year prior to ensure that we all have a good time. If you have any fun ideas or would like to get involved in the planning, please e-mail Sandra Dean Zwilling (Apollo) sandraz@clearwire.net or Nancy Gruber (Tech) nancy.gruber@isd742.org

Help make this a memorable event!
