-Mighty oaks from tiny acorns grow

Thursday, December 14, 2017

From the Desk of ~ Michael Rivard, Oak Hill Principal

Hello Oak Hill Families:

We look forward to a big event coming after our Winter Break. We will be part of the District Education Expo showing the great things that are happening at Oak Hill. Oak Hill staff is excited to be part of this event as we showcase our wonderful school on January 6th at the River's Edge Convention Center. Please mark your calendar and join us.

Fourth and fifth grade students will participate in Career Day on Thursday, December 21st. They will have the opportunity to attend career presentations by Oak Hill parents. The students have completed a survey about their interests in preparation for this event. The AVID (Advancement Via Individual Determination) program's mission is to close the achievement gap by preparing all students for college and career readiness in a global society. We are looking forward to an exciting day of learning!

Stay warm.

Michael Rivard, Principal
