Greetings!

Have you ever wondered how much screen time is safe for your child? Do you have questions about how to keep your child safe in the online world?

Oak Hill is pleased to announce an offering for Parents on "Technology Use and Your Child." This session will be about 20 minutes in length, with some time at the end of the session for questions and answers.

This informational session will be offered on February 9 from 6:30-6:50PM during our PTSA BINGO Night. We will have additional supervision for those young children who need help with their BINGO cards. Parents would be excused to the Media Center where Mrs. Deb Jokela the Assistant Principal, Mrs. Erinn Hawkins the School Counselor and Mr. Paul Olsen the Media Specialist will go over the following information:

- Cyberbullying
- The social and emotional effects of too much technology, including gaming
- Online Safety

We hope you can join us for some information along with a lot of fun on PTSA BINGO Night!

-Debra Jokela, Assistant Principal

From our student ambassador Kenzi Larson .:

*Hi! My name is Kenzi Larson. I'm 9 years old. I'm in 4th grade. My teacher is Mrs. Neffs. Some things I like to do is dance, gymnastics, soccer and volleyball. What I like to do in my free time is make slime and crafts. Make youtube videos, play with my friends and much more! I like Oak Hill because it's a safe and friendly place. And I never go home thinking I didn't learn something new. I am having a great time as a student ambassador and excited for much more.*
