From the Desk of ~ Michael Rivard, Oak Hill Principal

Hello Oak Hill Families:

As we settle back into school after our March break, we look forward to warmer temperatures and gentler winds for our students during recess. Similar to the changes of the seasons and the entrance of spring, your child's teacher is excited for the renewal of our efforts for learning for the remainder of the 2017-18 school year.

Spring also means that we begin to plan for next school year. As in the past, we will be looking for feedback from families regarding your thoughts for your child for next year. On Tuesday, April 3rd we will have Parent Consultation Forms available in the office for you to complete. Similar to a parent/teacher requests forms of the past, we will be utilizing your ideas in determining the best fit for your child and next year's teachers.

We are also excited for a fundraising event on May 6th at Whispering Pines Golf Club. We are planning a fun filled day for up to 18 Foursomes to participate in a round of golf, dinner, and prizes. Proceeds from the event will go to our Science, Technology, Engineering, and Math (STEM) room that is being planned by our teaching staff for next year.

Please contact Mr. Rivard for details and watch for an email for further information.

We continue our efforts for registration in getting next year's kindergarten enrollment in place. If you have a kindergarten student for next year and have not registered, we are requesting that you contact the Welcome Center at [320-257-3811](tel:320-257-3811) to enroll for next year.

Michael Rivard, Principal

From our student ambassador Emmy Inderieden.:

My name is Emmy Inderieden. I'm nine years old and I'm in Mrs. Martinson's fourth grade class. I like to play golf and tennis, and I also enjoy horseback riding. I was interested in becoming a Student Ambassador because I thought it would be fun to meet other students and work as a team to help plan and assist with school events and to think of ways to support our school.

**Original Works**

Hello Family!  
We have teamed up with Original Works to offer a very special program. In the next few weeks, your child will be creating their very own special artwork for this project. So, be on the lookout as you will then have the opportunity to order a variety of useful items, all professionally made and featuring your child's masterpiece!

Order and help support our school.
