

Greetings Oak Hill Families! This is Principal Deb Jokela with some exciting news to share with you. This year we are going to host an Open House Event rather than scheduled Conferences. You can plan to come into Oak Hill on either Wednesday, August 31st between Noon and 7PM or Tuesday, Sept. 6th from 7:30-2:15 to meet your child's teacher. Teachers will be limiting the number of families in the classroom at one time, so they can have a chance to meet everyone. So if the door is closed, you can come back on the hour or half hour for the next session. If you finish a session, or are waiting for the next session, you can enjoy a scavenger hunt to meet our wonderful staff including music, art and Physical Education teachers. If you complete the Scavenger Hunt, be sure to stop by the office for a prize before you leave.

More details for the Open House Events will be posted on the Oak Hill web page later, so be sure to check that out before you come. Teachers will have dinner or lunch breaks by grade level, so we want to be sure the teacher(s) you come to see are available when you're in the building. Please plan to bring school supplies for your child to leave in the classroom.

These are Open House Events, so there is no need to sign up for a date or time. Just check the schedule on the Oak Hill web page and come in to meet the teachers for the 2022-23 school year! Skyward will open on Friday, August 26th so you can log in to see who your child has for a teacher.

Please plan to leave younger, non-school age children at home so the focus can be on meeting the teacher and information sharing.

We all look forward to this fun event to welcome everyone back to school!
