Re: Military Recruiters:

Minnesota Law requires the following:

Subd. 5a. MILITARY RECRUITMENT

A secondary institution shall release to military recruiting officers the names, addresses, and home telephone numbers of students in grades 11 and 12 within 60 days after the date of the request, except as otherwise provided by this subdivision. A secondary institution shall give parents and students notice of the right to refuse release of this data to military recruiting officers. Notice may be given by any means reasonably likely to inform the parents and students of the right. Data released to military recruiting officers under this subdivision: (1) may be used only for the purpose of providing information to students about military service, state and federal veterans= education benefits, and other career and educational opportunities provided by the military; and (2) shall not be further disseminated to any other person except personnel of the recruiting services of the armed forces.

This means that Tech High School must release to military recruiting officers the following information: names, addresses, and home telephone numbers of students in grades 11 and 12 within 60 days after the date requested.

This information will be released to military recruiting officers **UNLESS** the parents have refused to release this data after notification.

If you do not want the above information released to military recruiting officers, please fill out the form and return it to Tech High School no later than October 9th2020.

Thank you.

Sincerely,

Jason Harris
