

# Community Education After School at Kennedy through Youth Enrichment

Return form to Kennedy Community School office. Checks can be made payable to: District 742. For questions please call Community Ed at 320-370-8200.

## Computer Coding Club (Grade 5)

**Class # 2414-20W1**

Tuesdays, March 24, 31, April 7, 14, 21, 28, May 5 2:05-3:30 pm  
 Kennedy Community School – Media Center 7 sessions \$15

In coordination with St. John's and College of St. Benedict's, fifth grade students at Kennedy Community School will have the opportunity to learn computer coding skills and apply these skills to programming a Lego Mindstorms robot. Students majoring in computer science from SJU/CSB will help provide individual student help alongside Holly Nelson, Kennedy Community School Librarian/Media Specialist. CSB/SJU will provide needs-based scholarships to cover costs for those who need assistance available upon request. Class limit: 20.
