Training Time: 8:00 am – 3:30 pm
Location: DAO Rm 110
Trainers: Beth Watkins, Laurel Schoborg

April 30

CPI Part 2 – Physical Crisis Intervention

Training Time: 3:45 - 6:45 pm
Location: Apollo Resource Center
Trainers: Kim Bednarek, Tyson Zitzow

CPI Course Description

CPI Verbal Crisis Intervention: An introduction to crisis prevention that emphasizes early intervention and non-physical methods for preventing or managing disruptive behavior. CPI's Personal Safety Techniques are included.

CPI Physical Crisis Intervention: Expands on the verbal intervention to introduce the study and practice of crisis prevention methods to utilize when students become a danger to self or others. This course includes restraint positions, transport techniques, and team strategies.

CPI Refresher: A formal refresher course to increase participant's understanding of course concepts, problem solving/strengthening crisis intervention skills and be able to apply course content/skills to real life experiences. Participants will increase their skills in verbal de-escalation and physical support. The refresher course is interactive, with participants sharing ideas and stories for all to learn.

CPI Refresher with ASD Component: A formal refresher option to help staff support individuals with autism spectrum disorders (ASD) or related communication disabilities such as individuals who are non-verbal or have processing difficulties. This refresher course covers positive behavior support, functional behavioral assessment, and self-injurious behavior, as well as the concepts presented in the regular initial course.
