**Subd. 1. Eligibility.** Benefits defined in this Article shall apply to all full-time and
part-time employees regularly employed at least fourteen (14) hours per week and
at least nine months per contract year. Substitute or temporary employees shall
not be eligible for any benefits under this Article.

**Subd. 2. Accrual.** Eligible employees shall earn annual accumulative leave at
the rate of one (1) day per month of service. School Year employees shall earn
annual accumulative leave of eleven (11) days per year at the rate of one (1) day
per month of service for the months of September through July. Accrual of
accumulative leave shall be carried over from year to year up to 60 days, and shall
be available for leaves under this Article.

**Subd. 3. Calculation.** A “day” shall be calculated and accrued in hours based on
the employee’s regular daily assignment. For employees with variable daily
schedules, their monthly hours of accrual shall be based on the average number
of hours worked per day based on their regular assignment. Additional hours of
work that are not part of an employee’s regular assignment, or hours worked for
summer school or outside of the regular school year, shall not affect the accrual of
accumulative leave.

Subd. 4. Deduction. Approved absences under this Article shall be deducted
from accrued accumulative leave when available or by pay deduction when
accumulative leave is not available. The School District shall make deductions
from accumulative leave equivalent to the actual time absent to the nearest fifteen
(15) minute increment.

Subd. 5. Restricted Unpaid Time-Off. Employees who have exhausted their
accrued accumulative leave may be approved for up to two (2) days of time-off
without pay by their supervisor. No more than one (1) clerical employee per
building shall be granted time-off without pay for the same work day(s), and no
employee shall be granted more than two (2) days of time-off without pay per year,
except in unusual or emergency circumstances, and then only with approval from
their supervisor and the Executive Director of Human Resources or designee. Use
of restricted unpaid time off resulting in absenteeism may be grounds for discipline.

Section 3. Discretionary Leave.

Subd. 1. Discretionary Leave. Employees in this unit who work less than 12
months shall earn seven (7) days of discretionary leave per contract year.
Discretionary leave is available for short-term absences so long as the employee
has accrued accumulative leave available. The use of discretionary day(s) shall
result in a corresponding reduction in an employee’s accumulative leave balance.
Discretionary leave shall not carry over from year to year.

Subd. 2. Limitations. Discretionary leave during student contact days should be
used in a manner that minimizes disruption to student services and programming.
The following limitations shall apply to the use of discretionary leave:

a) Employees may use up to five (5) consecutive discretionary days. The use
of more than five (5) consecutive days shall result in a 2-for-1 deduction
from accumulative leave for each additional day (e.g. six consecutive
discretionary leave days = 7 accumulative leave days).

b) In order to support critical services to students and programs, the School
District reserves the right to enforce building wide limits on the number of
employees from this unit using discretionary leave per day as follows: 1
member or 20% of unit staff per building, whichever is greater.

Section 4. Sick Leave.

Subd. 1. Sick Leave shall be allowed by the School District whenever an
employee is absent due to illness or injury that prevented his/her attendance and
performance of duties on that day.
**Subd. 2. Medical Certification.** The School District may require an employee to furnish a medical certificate from the school health officer or from a qualified physician as evidence of illness or injury, indicating such absence was due to illness, in order to qualify for sick leave pay. However, the final determination as to the eligibility of an employee for sick leave is reserved to the School District.

**Subd. 3. Illness of a Child.** Sick leave may be used for the illness of an employee’s child (includes step-child), subject to the provisions of Minn. Stat. §181.9413.

**Subd. 4. Family Illness Leave.** Sick leave may be used for serious illness of an employee’s spouse, adult child, parent, step-parent, sibling, grandparent, grandchild (includes step-grandchild), father-in-law, mother-in-law, son-in-law or daughter-in-law. Employees who exceed 5 days of absence for serious illness in the immediate family may be required to furnish a medical certificate indicating that a member of their family had a serious illness.

**Subd. 5. Long Term Disability.** Employees eligible for long-term disability will not receive sick leave pay beyond 90 calendar days.

**Subd. 6. Sick Leave Bank.** The School District shall permit members of this bargaining unit with more than forty-five (45) accumulative leave days to donate up to three (3) accumulative leave days per year to a colleague who has exhausted sick leave and vacation time due to a long-term illness or disability.

Each donated day shall have a value of one-for-one of a sick leave day. The bargaining unit member donating days under this subdivision may not donate a number of days that reduces the employee’s accumulative leave balance below forty-five (45) days.

The number of donated sick leave days which a member of this bargaining unit may receive is limited to the number of days donated, but may not continue beyond the receiving member’s eligibility for long term disability.

The bargaining unit will administer the donation/collection of days pursuant to the sick leave bank procedural guidelines. All employees who are eligible to donate will have the opportunity to contribute days pursuant to this subdivision to a generic sick leave donation bank. All days donated will be deducted from the contributors’ accumulative leave totals.

Employees requesting donated days will apply in writing for those additional days to the SEIU Clerical Union Steward(s).

The District will administer the crediting of days to the recipient.
Section 5. Bereavement.

Subd. 1. Up to five (5) days of bereavement leave per incident shall be allowed for death in the employee’s immediate family. The immediate family includes: spouse, parent, child, grandchild, brother, sister, father-in-law, mother-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, grandparents, spouse’s grandparents, uncles, aunts, nephews, nieces, corresponding step-persons, and persons for whom they are legally responsible to make decisions. All absences for bereavement of immediate family will be deducted from accrued accumulative leave. Twelve-month employees requesting bereavement leave for persons outside the immediate family may use vacation or special leave. School Year employees requesting bereavement for persons outside of the immediate family may use discretionary leave. Special leave and discretionary leave will be deducted from accrued accumulative leave.

Subd. 2. In the sole discretion of the Superintendent, an employee may be granted additional days of bereavement leave in the case of extreme circumstances.

Section 6. Special Leave.

Subd. 1. Special leave, not to exceed two days per year, may be granted to twelve-month employees of the bargaining unit. Special leave is to be used for personal business that cannot be consummated outside the school day without undue hardship. Special leave is not granted for purposes of recreation, vacation or outside gainful employment except that which is incidental in the pursuit of a school related activity.

Subd. 2. All absences under this section must be approved in advance. Leave used shall be deducted from the employee’s accumulative leave.

Subd. 3. Requests for Special Leave shall be made to the Supervisor or building administrator with reasonable notice in advance of the anticipated absence.

Subd. 4. Examples of legitimate claims for special leave shall include, but are not limited to the following:

a) Matters relating to settlement of an estate in which person has legal interest.

b) Urgent legal matters of the employee or of a member of his/her immediate family that require the employee’s attention.

c) Pallbearer or attendance at funeral services for persons for whom the staff member feels a moral obligation and which is not covered in other leaves of absences.

d) Weddings in the family or an attendant at a wedding.

e) Compelling reasons resulting from a natural disaster.

f) Family crisis not covered by other leaves of absence.

g) Other emergencies beyond the employee’s control.
Section 7. Child Care Leave.

Subd. 1. A child-care leave may be granted by the School District, subject to the provisions of this section. Child-care leave may be granted for the birth or adoption of a child or children, or because of the need to provide parental care for a child or children of the employee for an extended time.

Subd. 2. Written Request. All requests for child-care leave must be submitted in writing thirty (30) days prior to the anticipated commencement of the intended leave. The request will indicate the proposed commencement and termination dates for the intended leave. In the event of an emergency, the School District has the right to waive or adjust the prior notification requirement.

Subd. 3. Commencement of Leave. Leave under this section shall commence upon home placement of an adopted child or immediately after disability, or at a natural break in the school year prior to the birth or home placement of the child, or at such other date mutually agreed upon between the employee and the School District.

Subd. 4. Duration of Leave. In making a determination concerning the duration of a child-care leave, the School District shall not, in any event, be required to:

a) Grant any leave more than twelve (12) months in duration.

b) Permit the employee to return to his or her employment prior to the date designated in the request for child care leave except by mutual agreement.

Subd. 5. Unpaid Leave. Leave under this section shall be without pay, however, an employee may use any accrued accumulative leave that is available. Insurance benefits may be continued at the option and expense of the employee.

Subd. 6. Return from Leave. An employee returning from child-care leave shall be returned to his/her previous position or to another comparable position for which he or she is qualified. An employee returning from a child-care leave of less than six months will be returned to his or her previous position.

Section 8. Jury Duty Pay. All employees required to serve on jury duty shall be paid by the School District the difference between their regular pay and jury duty pay. In implementing this section, the School District shall continue to pay the employee the regular rate of pay and the employee shall be obligated upon receipt of the jury duty pay from the governmental agency to immediately remit any witness fees received to the School District less any mileage expenses. Absences under this section shall not be deducted from accumulated leave.

Section 9. Workers’ Compensation.

Subd. 1. Upon the request of an employee who is absent from work as a result of a compensable injury under the provisions of the Workers’ Compensation Act, the
School District shall pay the difference between the compensation received pursuant to the Workers’ Compensation Act by the employee and the employee’s regular rate of pay, to the extent of the employee’s earned accrual of sick leave and/or vacation pay.

**Subd. 2.** A deduction shall be made from the employee’s accumulated vacation or sick pay leave accrual time according to the pro rata portions of days of sick leave or vacation time which is used to supplement Workers’ compensation.

**Subd. 3.** Such payment shall be paid by the School District to the employee only during the period of disability.

**Subd. 4.** In no event shall the additional compensation paid to the employee by virtue of sick leave or vacation pay result in the payment of a total daily, weekly, or monthly compensation that exceeds the normal compensation of the employee.

**Subd. 5.** An employee who is absent from work as a result of an injury compensable under the Workers’ Compensation Act who elects to receive sick leave or vacation pay pursuant to this policy shall work cooperatively with Human Resources to have any paid leave amounts coordinated with any payment from Workers Compensation.

**Section 10. Unpaid Leave of Absence.** At the sole discretion of the School District, an employee of this bargaining unit may be granted a leave of absence without pay for purposes not otherwise addressed under this Article. Requests for such leaves shall be submitted in advance of the leave to the Superintendent. The leave request shall include the proposed commencement and termination dates of the leave. An employee returning from a leave of absence under this section for less than ninety (90) days shall be returned to his or her previous position. An employee returning from a leave of absence after more than ninety (90) days shall be returned to his or her previous position or to another comparable position for which he or she is qualified.

**Section 11. Application.** The parties agree that the applicable periods of probation for employees are intended to be periods of actual service enabling the School District to have the opportunity to evaluate an employee’s performance. The parties agree that periods of time for which the employee is on leave under this Article shall not be counted in determining the completion of the probationary period.

**Section 12. Retention of Earned Benefits.** Leave of absence under this Article shall not constitute a break in employment for purposes of seniority. An employee who returns to work from an unpaid leave within the provisions of this Article shall retain all previous experience credit for pay purposes and any unused leave time accumulated under the provisions of this Agreement at the commencement of the beginning of the leave. The employee shall not accrue additional experience credit for pay purposes or leave time during the period of absence for unpaid leave.
Section 13. Insurance Participation. An employee on unpaid leave is eligible to participate in group insurance programs if permitted under the insurance policy provisions, but shall pay the entire premium for such program as the employee wishes to retain, commencing with the beginning of the unpaid leave. The right to continue participation in such group insurance programs, however, shall terminate if the employee does not return to the School District pursuant to this section.

ARTICLE XI
PROBATION, DISCIPLINE AND DISCHARGE

Section 1. Probationary Period. Each new employee shall serve a probationary period of sixty (60) working days of continuous service in the School District exclusive of leave days under Article X. Probationary periods are intended to be periods of actual service enabling the School District to have the opportunity to evaluate an employee's performance. During the probationary period the School District shall have the unqualified right to discipline or discharge such employee without recourse to the grievance procedure.

Section 2. Completion of Probationary Period. Employees who complete a successful probationary period shall be regarded as regular employees and shall be disciplined or discharged only for cause as outlined below.

Section 3. Probationary Period After Promotion. An employee promoted to a higher classified position shall be on probation for sixty (60) working days during which period the Employer shall have the right to return the employee to his/her former position. The right of the employer to return an employee to their prior position is not subject to the grievance procedure.

Section 4. Employee Discipline. After an employee has completed the probationary period, the Employer may discipline or discharge an employee only for just cause. Disciplinary action shall normally include the following actions and shall normally be taken in the following order, except in cases of serious misconduct:

1. Oral reprimand
2. Written reprimand
3. Suspension without pay
4. Discharge

Employees who are subject to the above actions shall have the right to union representation, if desired, at any meetings with the district's representative(s).

ARTICLE XII
SENIORITY AND LAYOFF

Section 1. Application. The parties recognize the principle of seniority in the application of this Article, by class as defined in Section 5 below, provided the employee is fully qualified to perform the duties and responsibility of the position. This section shall be applicable in a reduction of hours only if the reduction causes the employee to lose or
reduce eligibility for benefits under this Agreement or if the employee’s hours are reduced by more than 25% of the employee’s existing time.

**Section 2. Reduction of Positions and Layoff.** Reductions of positions under this Section will typically take effect on June 30 of any fiscal year, however the School District reserves the right to reduce positions at any time based on business needs. In the event the School District determines that conditions necessitate a reduction of positions by the elimination of one or more positions, or by the reduction of the number of hours or days of a position pursuant to Section 1 of this Article, the unit stewards shall be notified of the impending reduction at least thirty (30) days prior to the effective date of the reduction. Before any position elimination and/or realignment of employees takes place, the District and Union will meet to review the procedure for implementing the reduction in accordance with this section and in light of the specific circumstances. The following procedure will be used to realign staff:

1. Voluntary separations, if any, will be accepted;
2. Voluntary reductions in hours or contract days will be accepted;
3. In the event a position is to be eliminated or reduced, the employee in that position will receive written notice of the reduction at least 10 working days in advance of the proposed position change.
   a. If a vacant position of the same classification exists at the time of the reduction, the employee must accept assignment to that vacancy and may not bump other employees. The meaning of the term “classification” is defined in Section 5 of this article.
   b. If a vacant position of a lower classification or lesser hours exists at the time of the reduction, the employee may accept assignment to that vacancy or proceed to “c” below at the employee’s option.
   c. If no vacancy exists, the employee will have the right to accept layoff or may exercise seniority over the least senior employee in the same classification or a lower classification, provided the employee is fully qualified to perform the duties and responsibilities of such position.
   d. The least senior employee in a classification who is bumped by a more senior employee, will have the same options as listed above.
4. In the event it is necessary to lay off employees because of the elimination of positions, such lay off shall be by seniority within the respective classification and with the least senior employee laid off first.
5. An employee may not exercise seniority in a higher classification in the event of a layoff. A ten (10) month employee may not exercise seniority over a twelve (12) month employee.
6. The School District shall provide any employee who is to be laid off with written notice of the proposed layoff at least 10 working days in advance of the layoff.

**Section 3. Recall.** An employee on layoff shall retain seniority and right to recall within classification in seniority order for vacancies which occur in the School District for a period of eighteen (18) calendar months after the date of layoff, provided the employee is qualified to perform the duties and responsibilities of the position. An employee with recall rights shall maintain a current mailing address on file with the School District and failure to accept recall within ten calendar days shall cause forfeiture of the employee’s further
recall rights. The School District shall not employ a new person in a vacant position as long as an employee on layoff pursuant to this Article is qualified to perform the duties and responsibilities of the position and accepts recall as provided herein.

Section 4. Seniority Date. Employees shall acquire seniority within their classification category upon completion of the probationary period as defined in Article XI hereof, and upon acquiring seniority, the seniority date shall relate back to the first date of continuous service in the School District in a classification covered by this Agreement. A tie shall be broken by using the last four digits of the employees’ social security numbers, recognizing the employee with the higher number as the most senior.

Section 5. Seniority List. On or about November 1 of each year the School District shall post a seniority list for each job classification. An employee who disagrees with the posted seniority list shall have twenty (20) working days from the date of the posting to supply written documentation or other proof to the School District in an effort to resolve any dispute. If the dispute is not resolved within those twenty (20) days, an employee shall have an additional twenty (20) days to challenge their seniority listing through the grievance process. If no challenges are made within twenty (20) days of posting, the seniority list is final. For purposes of this Article, the following classifications shall be recognized from the highest to the lowest:

- a. Pay Classification IV (12 Month)
- b. Pay Classification III (12 Month)
- c. Pay Classification III (10 Month)
- d. Pay Classification II (12 Month)
- e. Pay Classification II (10 Month)
- f. Pay Classification I (12 Month)
- g. Pay Classification I (10 Month)
- h. Pay Classification II (12 Month Hourly)
- i. Pay Classification II (10 Month Hourly)
- j. Pay Classification I (12 Month Hourly)
- k. Pay Classification I (10 Month Hourly)

ARTICLE XIII
VACANCIES AND POSTING

Section 1. Postings of Vacancies or New Positions. All vacancies and new positions within the bargaining unit, that are anticipated to be at least 45 days in duration, shall be posted for at least five (5) working days during the school year and ten (10) working days during the summer recess. For purposes of this Article, the term “vacancy” shall mean a position where no employee is holding a claim to the position (i.e., leave of absence), or a current position where an increase in hours will make the position eligible for an increased level of benefits under Article VIII.

Section 2. Application for Vacancies. It is the right of the School District to select the best qualified candidate for an open position. All applications will be considered by the School District and final decision for employment, advancement, transfer or promotion
will be made by the School District after considering the qualifications of all applicants. Qualifications of applicants shall include background, training, seniority, experience, education, aptitude for the position and testing results. First consideration shall be given to applicants from within the bargaining unit who are qualified for the position.

If it is determined by the School District that two or more internal candidates are equally qualified for an opening, the senior qualified employee shall be assigned to the position. Upon request, senior employees not selected shall be provided with a written rationale for the hiring decision by the responsible administrator within ten (10) days of the hiring decision with a copy to the Human Resources Office.

Section 3. Temporary Assignment. The School District may fill a vacancy or new position, temporarily, pending completion of the assignment process. Temporary positions that are expected to last more than thirty (30) days shall be posted internally for at least five (5) working days. Employees from the same building shall be given first consideration in filling a temporary vacancy. If a qualified employee is not available to fill the position, external candidates may be considered to fill the temporary assignment. At the end of the temporary assignment, permanent employees of the bargaining unit shall return to their regular assignments.

Section 4. Reassignment. School District may assign staff within job classification so as to best meet the needs of the District. Except in the case of an emergency, an employee proposed to be reassigned by the School District will normally be given at least ten (10) working days notice of the proposed reassignment. Prior to the reassignment becoming final, the employee will have the right to request a meeting with the Executive Director of Human Resources or designee and a union representative to discuss the reassignment.

ARTICLE XIV

Subd. 1. Eligibility. Employees meeting the following requirements shall be eligible for severance pay pursuant to the provisions of this section, upon submission of a written resignation accepted by the School District:

a. Employees who have completed at least fifteen (15) years of continuous service with the School District and who are immediately eligible for a state retirement annuity benefit;

d. Employees who become and remain totally and permanently disabled while employed by the School District after meeting the eligibility requirements of this section.

b. If an employee completes and qualifies for a waiver of participation based on the health care savings plan criteria, and the waiver is presented to the School District at least two (2) months in advance of the employee’s retirement date, payment under this section shall be paid directly to the employee in one lump sum within sixty (60) days of retirement.

c. If an employee who is eligible for severance pay under this article dies prior to submitting a notice of resignation or retirement, or after submitting notice but prior to the anticipated retirement date, severance pay will be paid to the employee via payroll or to the employee’s estate and not to the MHCSP.

**Section 2. Wellness Pay.** Employees shall receive annual wellness pay for all accrued accumulative leave days in excess of 60 days. Subd. 5. The School District shall provide notice to participating employees when they become eligible for an increased level of matching contribution.

Subd. 6. Employees on unpaid leaves may not participate in the matching program while on leave.

ARTICLE XVI
GRIEVANCE PROCEDURE

Section 1. Grievance Definition. A “grievance” shall mean an allegation by an employee resulting in a dispute or disagreement between the Union and the School District as to the interpretation or application of terms and conditions of employment insofar as such matters are contained in this Agreement.

Section 2. Representative. The Union or School District may be represented during any step of the procedure by any person or agent designated by such party to act in his/her behalf.

Section 3. Definitions and Interpretations.

Subd. 1. Extension. Time limits specified in this Agreement may be extended by mutual agreement.

Subd. 2. Days. Reference to days regarding time periods in this procedure shall refer to working days. A working day is defined as all weekdays excluding Saturdays and Sunday and legal holidays as designated by state law.

Subd. 3. Computation of Time. In computing any period of time prescribed or allowed by procedures herein, the date of the act, event, or default from which the designated period of time begins to run shall not be included. The last day of the period so computed shall be counted, unless it is a Saturday, a Sunday or a legal holiday, in which event the period runs until the end of the next day which is not a Saturday, a Sunday, or a legal holiday.

Subd. 4. Filing and Postmark. The filing or service of any notice or document herein shall be timely if it bears a postmark of the United States mail within the time period.

Section 4. Time Limitation and Waiver. Grievances shall not be valid for consideration unless the grievance is submitted in writing to the School District’s designee, setting forth the facts and specific provision(s) of the Agreement allegedly violated and the particular relief sought, within twenty (20) days after the event giving rise to the grievance occurred. Failure to file any grievance within such period shall be deemed a waiver thereof. Failure to appeal a grievance from one level to another within the time periods hereafter provided shall constitute a waiver of the grievance. An effort shall first be made to adjust an alleged grievance informally between the employee and the School District’s designee. By written mutual agreement, the parties may waive any step and/or extend any time limits of the grievance procedure.
Section 5. Adjustment of Grievance. The School District and the employee shall attempt to adjust all grievances that may arise during the course of employment of any employee within the School District as follows. All grievances at all levels shall be filed with the Executive Director of Human Resources.

Subd. 1. Informal. The Employee(s) and union will attempt to resolve an alleged grievance with the School District through informal means by meeting with the employee’s building administrator within ten (10) days of the event giving rise to the concern.

Subd. 2. Level I. If the grievance is not addressed through informal discussion, the grievance shall be filed in writing with the Executive Director of Human Resources or designee. The Executive Director may call a meeting within ten (10) days after receiving the written grievance. Following this meeting the Executive Director shall have five (5) days to provide a written decision on the grievance to the parties involved.

Subd. 3. Level II. In the event the grievance is not resolved in Level I, the decision rendered may be appealed to the Superintendent of Schools, provided such an appeal is made in writing within ten (10) days after receipt of the decision in Level I. If a grievance is properly appealed to the Superintendent, the Superintendent or his/her designee shall meet regarding the grievance within fifteen (15) days after receipt of the appeal. Within ten (10) days after the meeting, the Superintendent or his/her designee shall issue a decision, in writing, to the parties involved.

Subd. 4. Level III. In the event the grievance is not resolved in Level II, the decision rendered may be appealed to the School Board, provided such an appeal is made in writing within ten (10) days after receipt of the decision in Level II. If a grievance is properly appealed to the School Board, the School District shall hear the grievance within twenty (20) days after the receipt of the appeal. Within twenty (20) days after the meeting the School Board shall issue its decision in writing to the parties involved. At the option of the School Board, a committee or representative(s) of the School District may be designated by the School Board to hear the appeal at this level, and report its findings and recommendations to the School District. The School District shall then render its decision.

Section 6. Denial of Grievance. Failure of the School District or its representative to issue a decision within the time periods provided herein shall constitute a denial of the grievance, and the employee may appeal it to the next level.

Section 7. Arbitration Procedures. In the event that the employee and the School District are unable to resolve any grievance, the grievance may be submitted to arbitration as defined herein:

Subd. 1. Request. A request to submit a grievance to arbitration must be in writing, signed by the aggrieved party, and such request must be filed in the office of the Superintendent within ten (10) days following the decision in Level III of the grievance procedure.
Subd. 2. Prior Procedure Required. No grievance shall be considered by the arbitrator that has not been duly processed in accordance with these grievance procedures and appeal provisions.

Subd. 3. Selection of Arbitrator. Upon the proper submission of a grievance under the terms of this procedure, the parties shall, within ten (10) days after the request to arbitrate, attempt to agree upon the selection of an arbitrator. If no agreement on an arbitrator is reached, either party may request the Commissioner of the Bureau of Mediation Services to submit a panel of seven arbitrators to the parties, pursuant to PELRA, provided such request is made within twenty (20) days after request for arbitration. The request shall ask that the panel be submitted within ten (10) days after the receipt of said request. Within ten (10) days after receipt of the panel, the parties shall alternately strike names, and the remaining name shall be the arbitrator to hear the grievance. The order of striking shall be determined by lot. Failure to agree upon an arbitrator or the failure to request an arbitrator from the Commissioner within the time periods provided herein shall constitute a waiver of the grievance.

Subd. 4. Hearing. The grievance shall be heard by a single arbitrator, and both parties may be represented by such person or persons as they may choose to designate, and the parties shall have the right to a hearing, at which time both parties shall have the opportunity to submit evidence, offer testimony and make oral and written arguments relating to the issues before the arbitrator. The proceeding before the arbitrator shall be a hearing de novo.

Subd. 5. Decision. The decision by the arbitrator shall be rendered within thirty (30) days after the close of the hearing. Decisions by the arbitrator in cases properly before him shall be final and binding upon the parties, subject, however, to the limitations of arbitration decisions as provided by the P.E.L.R.A.

Subd. 6. Expenses. Each party shall bear its own expenses in connection with arbitration, including expenses relating to the party’s representatives, witnesses, and any other expense that the party incurs in connection with presenting its case for arbitration. A transcript or recording shall be made of the hearing at the request of either party. The parties shall share equally the fees and expenses of the arbitrator, the cost of the transcript or recording, if requested by either or both parties, and any other expense that the parties mutually agree are necessary for the conduct of the arbitration.

Subd. 7. Jurisdiction. The arbitrator shall have jurisdiction over disputes or disagreements relating to grievances properly before the arbitrator pursuant to the terms of this procedure. The jurisdiction of the arbitrator shall not extend to proposed changes in terms and conditions of employment as defined herein and contained in this written agreement; nor shall an arbitrator have jurisdiction over any grievance which has not been submitted to arbitration in compliance with the terms of the grievance and arbitration as outlined herein; nor shall the jurisdiction of the arbitrator extend to matters of inherent managerial policy, which shall include but are not limited to such areas of discretion or policy as the functions and
programs of the employer, its overall budget, utilization of technology, the organizational structure, and selection and direction and number of personnel. In considering any issue in dispute, in its order the arbitrator shall give due consideration to the statutory rights and obligations of the public school boards to efficiently manage and conduct its operation within the legal limitations surrounding the financing of such operations.

Section 8. Mediation. By written mutual agreement the parties may waive any step or suspend any timeline in order to submit a grievance to mediation by filing a joint petition with the Commissioner of Mediation Services.

ARTICLE XVII
DURATION

Section 1. Term and Reopening Negotiations. This Agreement shall remain in full force and effect for a period commencing on July 1, 2021, through June 30, 2023, and thereafter pursuant to the P.E.L.R.A. If either party desires to modify or amend this Agreement commencing at its expiration, it shall give written notice of such intent no later than ninety (90) days prior to said expiration. Unless otherwise mutually agreed, the parties shall not commence negotiations more than ninety (90) days prior to the expiration of this Agreement.

Section 2. Effect. This Agreement constitutes the full and complete Agreement between the School District and the Exclusive Representative representing the employees. The provisions herein relating to terms and conditions of employment supersede any and all prior Agreement, resolutions, practices, School District policies, rules or regulations concerning terms and conditions of employment inconsistent with these provisions.

Section 3. Finality. Any matters relating to the terms and conditions of employment, whether or not referred to in this Agreement, shall not be open for negotiation during the term of this Agreement.

Section 4. Severability. The provisions of this Agreement shall be severable, and if any provision thereof or the application of any such provision under any such circumstances is held to be invalid, it shall not affect any other provision of this Agreement or the application of any provision thereof.

- 6+ hours per day = $1,500 each year
- 4.01-5.99 hours per day = $1,100 each year
- 4 hours or less per day = $700 each year

Stipends will be paid in three installments following the close of each trimester on the following payroll dates: 12/15 (25%), 3/31 (25%) and 6/15 (50%). Employees must have a start date prior to 9/18 to be eligible for the 12/15 stipend, by 12/6 to be eligible for the 3/31 stipend, and 1/3 to be eligible for the 6/15 stipend. Employees must be active employees and in paid status on the relevant pay dates in order to receive the stipend payment. These stipends are funded with one time money and will expire at the end of this contract period.
This Appendix is included for illustration purposes to show the current job titles in each classification. While job titles are not a subject of collective bargaining, the District and Unit have agreed to meet regularly in a Clerical Labor Management Committee, and that committee will review and recommend revised job titles for clarity and consistency. The committee will also review and discuss concerns of the Unit related to the necessary job knowledge and competencies required for each of the job assignments.

MEMORANDUM OF UNDERSTANDING

School Closing Plan • Flexible Learning Days • 2021-2022

In an effort to continue student learning in the event of weather related school closings, St. Cloud Area Schools will continue using Flexible Learning Days during the 2021-2022 school year pursuant to Minn. Stat. §120A.414 as follows:

Make-Up Plan:
• The first five weather related closings will be shifted to Flexible Learning Days as long as there is no interruption of power and/or internet service that would interfere with distance learning.
• Additional weather related school closing days will be determined by the Superintendent and make-up time for students and/or staff will be determined by the Superintendent in consultation with the School Board.

Licensed Staff Expectations
Licensed staff who are unable to teach on a flexible learning day due to a discretionary day, illness or medical appointment for themselves or a family member, or other absence reason, must request time off in Skyward and post the learning activities for the day on SeeSaw or Schoology in lieu of posting sub plans. In addition, email your principal and lead secretary so they are aware you are not available for student or parent contact.

Licensed staff who are on duty during a flexible learning day must be in service during their regular teacher duty day and will complete the following:

PK-5 Staff
Licensed staff of students in grades PK-5 will post learning activities on SeeSaw by 9:00 AM on the day of a Flexible Learning Day. Licensed staff must be available during the student contact day by email/phone and/or SeeSaw to answer questions and assist students. Time not engaged in posting lessons or in direct contact with students may be used for planning and preparation time. Teachers are responsible for completing attendance on flexible learning days.

Secondary Staff
Licensed staff of students in grades 6-12 will post learning activities on Schoology by 10:00 AM on the day of a Flexible Learning Day. Licensed staff must be available during the student contact day by email/phone and/or Schoology to answer questions and assist students. Time not engaged in posting lessons or in direct contact with students may be used for planning and preparation time. Teachers are responsible for completing attendance on flexible learning days.

Non-Instructional Licensed Staff
Non-Instructional licensed staff (e.g. counselors, school psychologists, social workers, nurses, SLPs, OT/PTs, autism specialists, media specialists, technology integrationists, SEL/Focus teachers, ADSIS teachers, academic coaches, EL coordinators, etc.) will make a plan for their work on a flexible learning day with their administrator/supervisor.

Part-Time Teaching Staff
Part-time contract teachers will be available during their regularly scheduled duty hours.
Non-Licensed Staff Expectations

10 Month Non-Licensed Staff Expectations:
In the event of a flexible learning day due to snow or ice, 10-month non-licensed staff will not report to work on-site and will work as follows:

1. Staff who can work effectively from home may do so with the pre-approval of their supervisor (e.g. clerical, head cooks, BRS, BSS, BCSS, BTIs, interpreters, instructional paras, clerical, head cooks, health paras, clerical paras).

2. Non-licensed staff who do not support instruction, whose regular work cannot be performed at home, (e.g. bus drivers, nutritional services, transportation paras, door monitors, CSO’s) may use accumulative leave or other paid leave time to make up for any hours lost due to a school closing day. In the alternative, the school district will provide make-up days for these staff groups. Make-up days will be scheduled prior to June 15th to include staff training or other duties for non-licensed staff, and will be paid at the time the make-up time is served. Staff electing to make-up lost time will request “Restricted Unpaid Time Off/Make-Up Time Request” for the closed weather day.

3. Paid school closing days without make-up time may be authorized for 10-month non-licensed staff members at the direction of the superintendent in consultation with the school board, and in that case, staff would receive full pay for those school closing days. The superintendent will take into consideration the economic impact of multiple school closing days within a pay period when considering this option.

In the event of a flexible learning day due to a cold weather closing, 10-month non-licensed staff may report to work as usual. Employees who choose not to report to work on a cold weather closing day, may use accumulative or other paid leave time to make up for any hours lost.

12 Month Non-Licensed Staff Expectations:
In the event of a flexible learning day due to snow or ice, 12-month non-licensed staff who can report to work safely may do so (e.g. custodians and engineers). 12-month non-licensed staff who can work from home may do so with the approval of their supervisor (e.g. clerical, non-represented 12 month employees). For staff who cannot report and whose work cannot be performed at home, any lost time due to snow closing days may be flexed back into the same work week through extended work days or on Saturday of that week (provided Saturday building access is available) between the hours of 8:00 am and 6:00 pm. Employees who choose not to work from home or perform make-up time on a snow or ice closing day, may use accumulative or other paid leave time to make up for any hours lost.

In the event of a flexible learning day due to a cold weather closing, 12-month non-licensed staff may report as usual. Employees who choose not to report to work on a cold weather closing day, may use accumulative or other paid leave time to make up for any hours lost.
