

BACK to SCHOOL

Ready Every Day In-Person Learning for Grades 6-12

In-person learning means that our students and staff will return to our schools and follow their typical daily and hourly schedules. Learning and teaching happens in the classroom and through assigned independent homework. Safety protocols such as wearing masks and symptom screening will be in place.

WHAT'S THE SAME

SECONDARY SCHOOLS

WHAT MAY BE DIFFERENT

Priorities

- Health and safety
- Academic achievement
- Social emotional learning and connections

Personal Safety Protocols

- Pre-Screening checklist prior to arrival at school
- Masks are required by all students and staff
- Shields are available for additional protection
- Handwashing and sanitizing frequently
- Staying home when sick
- Following quarantine/isolation protocols if positive/exposed

Cleaning & Safety Protocols

- HVAC systems will be on COVID mode
- Tiered cleaning protocols
- Daily cleaning of classrooms and sanitizing of supplies

Classroom Safety Protocols

- Social distancing whenever possible
- Seating charts
- Limit groups-have students collaborate virtually
- Handwashing, sanitizing
- Limit shared materials

A return to in-person learning means that our buses and classrooms MAY be at capacity and opportunities for social distancing MAY be limited.

- Buses – up to full capacity
- Classrooms – up to full capacity
- Common Areas: Cafeterias & Commons

Trimester 3 Schedule

- Monday - Thursday: In-Person Learning
- Flex Fridays: Learning From Home
