If you want to take your AP exam, you need to join your AP classroom.

If you do not join your AP classroom, you will NOT have an exam to take in May.

1. **SIGN IN**
   - Sign in to myap.collegeboard.org using your College Board login. This is the same login you use to access your AP scores, PSAT®/NMSQT® scores, or register for the SAT®—or that you used to access My AP last year. If you don’t have a student account, click the *Sign Up* link.

2. **JOIN A COURSE**
   - Click the *Join a Course or Exam* button. Before you do this, make sure you have the six-character join code from your teacher. You’ll need it to join a class section.

3. **SUBMIT YOUR JOIN CODE**
   - Enter the join code your teacher gave you and click *Submit*.

4. **VERIFY COURSE INFORMATION**
   - Make sure the information that comes up is for the course you’re taking. If it is, click Yes.
Once you join your AP classroom in September, you will get another update from me in October on the next step.
