RE: Senior to Sophomore and/or PSEO Students Requesting Transcripts after Senior Year

Dear Tech Senior who has taken a Senior to Sophomore and/or PSEO Class:

You have an official transcript at St. Cloud State University that needs to be sent to your college if you would like to receive credit. Tech High School does not have access to your St. Cloud State transcript. IF YOU ARE ATTENDING A MINNESOTA STATE COLLEGE OR UNIVERSITY, THAT INSTITUTION MAY OBTAIN YOUR TRANSCRIPT FREE OF CHARGE. CONTACT YOUR INSTITUTION DIRECTLY FOR FURTHER INFORMATION. For those attending college outside of the Minnesota State College system, in order to send your SCSU transcript to your college of choice you can pick three ways:

1. **By Mail:** Use the attached form to make your request through the mail. You will need to send a check payable to "St. Cloud State University" for \$10.
 2. **Online:** Go to the St. Cloud State website and go to "Student Registration and Financial Services." A credit card and valid email address is required. Cost is between \$7.25 and \$9 depending on which type of delivery system you use (traditional mail or electronic pdf).
 3. **In Person:** Use the attached form and take it to SCSU Business Services in the Administrative Services Building, Office 123. Cash, check, or credit card will be accepted for the \$10 fee.
- **PLEASE NOTE:** Your SCSU transcript may not be finalized until the middle of June. You should check online at SCSU to make sure your grades are posted before you make your request.

One other thing to keep in mind as you go about requesting your transcripts from SCSU: The request form needs you to supply your SCSU ID or your Social Security Number. For many of you, SCSU does not have a record of your Social Security Number, so you will need to provide your SCSU ID. Your SCSU ID is an 8-digit number (also known as Tech ID). If you need to access that number, you can check with your S2S teacher or with Krisi Lain in the Guidance Office.

Congratulations on completing college credits at Tech High School. We hope that it will help you in the future. Please contact me with any questions.

Sincerely,

Krisi Lain
