

Our mission is to create a safe and caring climate and culture in which we prepare, engage, educate, empower, and inspire all learners in partnership with their surrounding community to be successful in today's and tomorrow's society.

Learning Content: Mindful Lesson Planning

We will:

- Use strategies to increase student responsibility for learning.
- Identify priority standards and skills.
- Write content learning goals and objectives.
- View data through a racial equity lens and use data to inform instruction.

Learning Process: Collaborative Learning

We will:

- Ensure students understand and can restate learning goals.
- Consistently teach and use critical academic vocabulary.
- Use differentiated instructional strategies.

Learning Impact: Student Achievement

We will:

- Collaborate as data and grade level teams to drive instruction.
- Provide specific and timely feedback to enhance student achievement.
- Ensure students reflect on learning goals to assess their progress and take ownership of learning.

Learning Context: One Community

We will:

- Develop positive community relationships.
- Identify and connect with The Good of each student.
