

Our Schools

Elementary

Middle Level

Secondary

Kennedy Community School
1300 Jade Road
St. Joseph

Serving students in preschool and grades K-8, Kennedy is located in St. Joseph and is home of the Colts. The U.S. Green Building Council has awarded Kennedy with a Leadership in Energy and Environmental Design for Schools (LEED) certification at the GOLD level. Kennedy is used as a model for promoting green schools across the region.

Madison Elementary
2805 N. Ninth St.
St. Cloud

Madison serves students in preschool and grades K-5. It is located between the Centennial and Pantown neighborhoods of north St. Cloud. Madison is home of the Mustangs and has two gymnasiums, a spacious media center and large play areas. The Chinese Immersion program is just one of the many offerings that Madison is proud of.

Westwood Elementary
5800 Ridgewood Road
St. Cloud

Westwood serves students in preschool and grades K-5 and is located in west St. Cloud on a 15 acre site. Built in 1969, its most recent addition of 7,700 square feet in 2007 added six new classrooms and a remodeled media center. Westwood is home of the Wildcats.

Discovery Community School
700 S. Seventh St.
Waite Park

Discovery serves students in preschool and grades K-5. Home of the Dolphins and located in Waite Park, Discovery is one of District 742's newest schools. Students from Discovery and Lincoln will attend North Junior High or South Junior High depending on where they live.

Lincoln Elementary
336 SE Fifth Ave.
St. Cloud

Lincoln serves students in preschool and grades K-5. Located in east St. Cloud, it is one of District 742's smaller schools at 4,975 square feet. It replaced a four-room, \$11,000 school built on the same site in 1890. Lincoln is home of the All Stars. Students from Discovery and Lincoln will attend North Junior High or South Junior High depending on where they live.

Oak Hill Community School
2600 County Road 136,
St. Cloud

Oak Hill serves students in preschool and grades K-5. Located on the southern edge of St. Cloud, it received its name from the community because of the beautiful oaks trees found on the hill behind the school. Its five soccer fields host Tech High School's soccer teams. Oak Hill is home of the Owls.

Clearview Elementary
7310 Highway 24
Clear Lake

Clearview serves students in preschool and grades K-5. Home of the Cougars, Clearview's 56-acre site sits between the two towns of Clear Lake and Clearwater. Home of the Spanish Immersion program, students can receive instruction in English or in Spanish beginning in kindergarten and first grade.

Talahi Community School
1321 SE University Drive
St. Cloud

Talahi serves students in preschool and grades K-5. Located on the southeast side of St. Cloud, it is adjacent to St. Cloud State University's historic Selke Field. Built on twenty-one acres of wooded land, Talahi is an Ojibwa word meaning "Among the Oaks." Talahi is the home of the Timberwolves.

North Junior High
1212 N. 29th Ave.
St. Cloud

North serves students in grades 6-8 who live on the north and west sides of District 742. North is also host to the middle level Chinese Immersion program. The 25-acre site has abundant recreational space, including four football/soccer fields, two baseball fields and two softball fields. North is home of the Eagles.

Apollo High School
1000 N. 44th Ave.
St. Cloud

Apollo High School (AHS) serves students in grades 9-12 who live on the north and west sides of District 742. The school's 65-acre site is near the VA Medical Center and the Municipal Athletic Complex. AHS is home of the Eagles. It's school name, which is borrowed from the U.S. Government Space Program, has always embodied a sense of mission.

South Junior High
1120 S. 15th Ave.
St. Cloud

South serves students in grades 6-8 who live on the south and east sides of District 742. South is also host to the middle level Spanish Immersion program. Located near Roosevelt Road in south St. Cloud, South is in its fifth decade of providing middle level education. South is home of the Tigers.

Technical High School
233 S. 12th Ave.
St. Cloud

Technical High School (THS) serves students in grades 9-12 who live in the south and east areas of District 742. Built in 1917 near the shores of Lake George, Tech has expanded over the years to include four additions. During that time, Tech has built a tradition of excellence and pride among it's students, staff and community. THS is home of the Tigers.
