**Achievement and Integration Plan**  
*July 1, 2020 to June 30, 2023*

**District ISD# and Name:** 742 St. Cloud Area School District  
**District Integration Status:** Racially Isolated District /Racially Identifiable School (RI/RIS)  
**Superintendent:** Willie Jett  
**Phone:** 320-370-8001  
**Email:** willie.jett@isd742.org  

**Plan submitted by:** Albert Johnson  
**Title:** Director of Equity Services  
**Phone:** 320-370-8105  
**Email:** al.johnson@isd742.org

**Racially Identifiable Schools within District**  
If you have been notified by the Minnesota Department of Education (MDE) that your district has a racially identifiable school, please list each of those schools below. Add additional lines as needed.

1. Talahi Community School  
2. Discovery Community School

Plans for racially identifiable schools should include the same information and follow the same format as districtwide plans. Provide that information in the [Racially Identifiable School section](#) of this document.

**Partnering Districts**  
Racially isolated districts must partner with adjoining districts on student integration strategies (Minn. R. 3535.0170). List the districts you will partner with, adding additional lines as needed. Provide the name of your integration collaborative if you have one: Multi-District Collaboration Council (MDCC)

1. **Annandale** A - Adjoining  
2. **Foley** A - Adjoining  
3. **Becker** A - Adjoining  
4. **Holdingford** A - Adjoining  
5. **Rocori** A - Adjoining  
6. **Sauk Rapids/Rice** A - Adjoining  
7. **Monticello** A - Adjoining  
8. **Kimball** A - Adjoining

**School Board Approval**

☐ We certify that we have approved this Achievement and Integration plan and will implement it as part of our district’s World’s Best Workforce plan (Minn. Stat. § 124D.861, subd. 4).

☐ We certify that we sought and received input on integration goals and strategies from councils as described on page 2. The council(s) included representation and meaningful input from our American Indian Parent Advisory Committee as required by Minnesota Rules 3535.0160, subpart 2, and Minnesota Rules 3535.0170, subparts 2-5.

Superintendent: Willie Jett  
**Signature:**  
**Date Signed:** Enter date.

School Board Chair: Jeff Pollreis  
**Signature:**  
**Date Signed:** Enter date.
Plan Input

Minnesota School Desegregation/Integration Rule, part 3535.0170, subpart 2, requires racially isolated and adjoining districts to establish a multidistrict collaboration council to provide input on integration goals and to identify cross-district strategies to improve student integration.

Districts with racially identifiable schools are required to convene a community collaboration council to assist in developing integration goals and to identify ways of creating increased opportunities for integration at the racially identifiable schools (Minn. R. 3535.0160, subp. 2).

American Indian Parent Advisory Committee Districts with an American Indian parent advisory committee must include representation from this committee on the councils described above (Minn. R. 3535.0160, subp. 2, and 3535.0170, subp. 3).

For stakeholder input to be meaningful, it should be based on open communication and coordination that acknowledges and considers the views of all participants. For steps to ensure that input from your council is meaningful, see the Facilitation Guide in the Achievement and Integration Plan Guide, and see the Tribal Consultation Guidance.

The American Indian Parent Advisory members were consulted regarding the FY20-23 Achievement & Integration Plan. There were no additional recommendations at this time.

**Submitting this Plan**
Submit your completed plan as a Word document to MDE for review and approval (Minn. Stat. § 124D.861, subd. 4). Once it’s signed, scan the signature page and save it as a separate PDF. Email your plan and signature page to MDE.integration@state.mn.us.

Detailed directions and support for completing this plan can be found in the [Achievement and Integration Plan Guide](#).
**Achievement and Integration Goals**
This plan must contain three types of goals, at least one for each of the following:

1. Reducing the disparities in academic achievement among all students and specific categories of students excluding the categories of gender, disability, and English learners.
2. Reducing the disparities in equitable access to effective and more diverse teachers among all students and specific categories of students excluding the categories of gender, disability, and English learners.
3. Increasing racial and economic integration (Minn. Stat. § 124D.861, subd. 2 (a)).

**Goal #1: Achievement Goal**
The combined 4-year graduation rate for Black, Hispanic, American Indian and students of two or more races will increase from 63% to 85% by May 2023.

Aligns with WBF area: All racial and economic achievement gaps between students are closed.
Goal type: Achievement Disparity

**Goal #1 Strategies**

**Strategy #1: Data Driven Decision-Making with Tiered Interventions for Reading Support**

Type of Strategy: Innovative and integrated pre-K-12 learning environments. *If you choose this, complete the Integrated Learning Environments section below.

Integrated Learning Environments (Minn. Stat. § 124D.861, subd. 1 (c)). If you chose *Innovative and integrated pre-K through grade 12 learning environments* as the strategy type above, your narrative description should describe how the different aspects of integrated learning environments listed below are part of that strategy:

- X Uses policies, curriculum, or trained instructors and other advocates to support magnet schools, differentiated instruction, or targeted interventions.
- □ Provides school enrollment choices.
- □ Increases cultural fluency, competency, and interaction.
- □ Increases graduation rates.
- □ Increases access to effective and diverse teachers.

Narrative description of this strategy.
Third and fourth grade teachers will receive training and resources in a framework designed to improve literacy achievement. This framework is research-based and focuses on quality core instruction, data-driven decision making, and tiered interventions.

Location of services: Discovery, Madison, Lincoln, Westwood, Oak Hill, Kennedy, Clearview

**Key Indicators of Progress (KIP)**
List key indicators of progress for this strategy and annual targets for each indicator. Choose indicators that will help you know if the strategy is creating the outcomes you want to see.

### Strategy # 2: Young Scholars

**Type of Strategy:** Career/college readiness and rigorous coursework for underserved students, including students enrolled in ALC.

**Integrated Learning Environments** (Minn. Stat. § 124D.861, subd. 1 (c)). If you chose Innovative and integrated pre-K through grade 12 learning environments as the strategy type above, your narrative description should describe how the different aspects of integrated learning environments listed below are part of that strategy:

- X Uses policies, curriculum, or trained instructors and other advocates to support magnet schools, differentiated instruction, or targeted interventions.
- ☐ Increases cultural fluency, competency, and interaction.
- ☐ Increases graduation rates.
- ☐ Increases access to effective and diverse teachers.
- ☐ Provides school enrollment choices.

**Narrative description of this strategy.**

The goal of the Young Scholars program is to identify students who may not be considered for advanced academic programming. Without this opportunity, protected students would be less likely to pursue advanced levels of learning. Because this program involves identification of students beginning in kindergarten, it provides opportunity to develop potential at an early age. These students will be prepared to engage in challenging subject matter and rigorous courses through their educational career.

**Location of services:** Discovery, Madison, Talahi, Westwood, Oak Hill, Kennedy, Lincoln, Clearview

</tr>
</tbody>
</table>

This data will be used to support evaluation of your plan (Minn. Stat. § 124D.861, subd. 5).
Strategy #3: Professional development and support in culturally responsive instruction

Type of Strategy: Professional development opportunities focused on academic achievement of all students.

Integrated Learning Environments (Minn. Stat. § 124D.861, subd. 1 (c)). If you chose Innovative and integrated pre-K through grade 12 learning environments as the strategy type above, your narrative description should describe how the different aspects of integrated learning environments listed below are part of that strategy:

X Uses policies, curriculum, or trained instructors and other advocates to support magnet schools, differentiated instruction, or targeted interventions.

☐ Provides school enrollment choices.

X Increases cultural fluency, competency, and interaction.

☐ Increases graduation rates.

☐ Increases access to effective and diverse teachers.

Narrative description of this strategy.
As the student demographics of St. Cloud Area Schools continue to evolve, the need for continued training in culturally responsive instructional strategies will remain a priority for our teachers. This includes strategies that help teachers identify students’ academic potential through a cultural lens.

Location of services: District-wide

Key Indicators of Progress (KIP)

Strategy #4: Advancement Via Individual Determination (AVID)

Type of Strategy: Career/college readiness and rigorous coursework for underserved students, including students enrolled in ALC.

Integrated Learning Environments (Minn. Stat. § 124D.861, subd. 1 (c)). If you chose Innovative and integrated pre-K through grade 12 learning environments as the strategy type above, your narrative description should describe how the different aspects of integrated learning environments listed below are part of that strategy:

X Uses policies, curriculum, or trained instructors and other advocates to support magnet schools, differentiated instruction, or targeted interventions.

☐ Provides school enrollment choices.

☐ Increases cultural fluency, competency, and interaction.

X Increases graduation rates.

☐ Increases access to effective and diverse teachers.

Narrative description of this strategy.
St. Cloud Area Schools will continue to implement and expand AVID, Advancement Via Individual Determination. AVID is a college readiness system for elementary through higher education that is designed to increase school-wide learning and performance.

Location of services: District-wide
Key Indicators of Progress (KIP)

This data will be used to support evaluation of your plan (Minn. Stat. § 124D.861, subd. 5).

Strategy #5: Educational Equity Outreach Coordinator

Type of Strategy: Family engagement initiatives to increase student achievement.

Integrated Learning Environments (Minn. Stat. § 124D.861, subd. 1 (c)). If you chose Innovative and integrated pre-K through grade 12 learning environments as the strategy type above, your narrative description should describe how the different aspects of integrated learning environments listed below are part of that strategy:

- **X. Uses policies, curriculum, or trained instructors and other advocates to support magnet schools, differentiated instruction, or targeted interventions.**
- **☐ Provides school enrollment choices.**
- **☐ Increases cultural fluency, competency, and interaction.**
  - Increases graduation rates.
  - Increases access to effective and diverse teachers.

Narrative description of this strategy.

The Educational Equity Outreach Coordinators (EEOCs) serve as mentors and advocate for the successful achievement and development of protected students and their families. Their primary method of working with students will be through the use of the research-based intervention, Check and Connect. Check and Connect is designed to reduce truancy, behavior referrals, and dropout rates. Baseline data will be established during the 2020-2021 school year for this strategy.

Location of services: Discovery, Madison, Talahi, Lincoln

Key Indicators of Progress (KIP)

List key indicators of progress for this strategy and annual targets for each indicator. Choose indicators that will help you know if the strategy is creating the outcomes you want to see.

</tbody>
</table>

This data will be used to support evaluation of your plan (Minn. Stat. § 124D.861, subd. 5).

Strategy #6: Bilingual Communication Support Specialist

Type of Strategy: Family engagement initiatives to increase student achievement.

Integrated Learning Environments (Minn. Stat. § 124D.861, subd. 1 (c)). If you chose Innovative and integrated pre-K through grade 12 learning environments as the strategy type above, your narrative description should describe how the different aspects of integrated learning environments listed below are part of that strategy:
Uses policies, curriculum, or trained instructors and other advocates to support magnet schools, differentiated instruction, or targeted interventions.  

☐ Provides school enrollment choices.  

X Increases cultural fluency, competency, and interaction.

Narrative description of this strategy.
The Bilingual Communication Support Specialist (BCSS) is designed to work with students as a link between home and school and also to help make school more relevant by addressing concerns of cultural differences within their school community. These staff are strategically placed at district schools to help protected students and families become better integrated socially, emotionally, and academically within the school environment.

Location of services: District-wide

Key Indicators of Progress (KIP)

</tbody>
</table>

This data will be used to support evaluation of your plan (Minn. Stat. § 124D.861, subd. 5).

Strategy #7 Family and Community Engagement Opportunities

Type of Strategy: Family engagement initiatives to increase student achievement.

Integrated Learning Environments (Minn. Stat. § 124D.861, subd. 1 (c)). If you chose Innovative and integrated pre-K through grade 12 learning environments as the strategy type above, your narrative description should describe how the different aspects of integrated learning environments listed below are part of that strategy:

Uses policies, curriculum, or trained instructors and other advocates to support magnet schools, differentiated instruction, or targeted interventions.  

☐ Provides school enrollment choices.  

X Increases graduation rates.  

☐ Increases access to effective and diverse teachers.

Narrative description of this strategy.
Family and community engagement programming is school-specific to meet the unique needs of the cultural and diverse needs of the families that are served. Through school-specific programs, opportunities for parents and families will be provided to acquire skills and knowledge to help them support their child’s academic and social/emotional needs. Sessions are delivered to parents around topics including school curriculum, school-home communications, accessing community and school resources, school processes and procedures, and additional topics as needs arise. The overarching goal is to equip families and parents to have the necessary tools and support to help their child on a path to graduation in partnership with the school district.

Location of services: Discovery, Madison, Talahi, Lincoln

This data will be used to support evaluation of your plan (Minn. Stat. § 124D.861, subd. 5).

**Strategy #8 Student Support Coordinator**

**Type of Strategy:** Innovative and integrated pre-K-12 learning environments. *If you choose this, complete the Integrated Learning Environments section below.

**Integrated Learning Environments** (Minn. Stat. § 124D.861, subd. 1 (c)). If you chose *Innovative and integrated pre-K through grade 12 learning environments* as the strategy type above, your narrative description should describe how the different aspects of integrated learning environments listed below are part of that strategy:

- X Uses policies, curriculum, or trained instructors and other advocates to support magnet schools, differentiated instruction, or targeted interventions.
- ☐ Provides school enrollment choices.
- X Increases cultural fluency, competency, and interaction.
- X Increases graduation rates.
- ☐ Increases access to effective and diverse teachers.

**Narrative description of this strategy.**
The Student Support Coordinator will work with students, families, and staff throughout the district and in Racially Identifiable Schools to help bridge the gap between home, community, and school. This position will establish programs to enhance social and emotional learning, academic achievement, and integration opportunities in addition to facilitating communication between families and school staff. The effectiveness of this intervention will be assessed through attendance, office discipline referrals, and grades of participating students. The Student Support Coordinator will be located at a building site and will travel throughout the district.

**Location of services:** District-wide

**Key Indicators of Progress (KIP)**

**Strategy #9 Pre-college Tutors**

**Type of Strategy:** Career/college readiness and rigorous coursework for underserved students, including students enrolled in ALC.

**Integrated Learning Environments** (Minn. Stat. § 124D.861, subd. 1 (c)). If you chose *Innovative and integrated pre-K through grade 12 learning environments* as the strategy type above, your narrative description should describe how the different aspects of integrated learning environments listed below are part of that strategy:
Uses policies, curriculum, or trained instructors and other advocates to support magnet schools, differentiated instruction, or targeted interventions.

☐ Provides school enrollment choices.

☐ Increases cultural fluency, competency, and interaction.

☐ Increases access to effective and diverse teachers.

☒ Increases graduation rates.

Narrative description of this strategy.
The goal of this program is to help students who are from underrepresented groups receive services in order to improve their grades and get on a career or college track. We accomplish this goal by identifying tutors to support students’ learning needs.

Location of services: South, North, Apollo, Tech, McKinley Area Learning Center

Strategy #10 Student Leadership and Mentoring

Type of Strategy: Innovative and integrated pre-K-12 learning environments. *If you choose this, complete the Integrated Learning Environments section below.

Integrated Learning Environments (Minn. Stat. § 124D.861, subd. 1 (c)). If you chose Innovative and integrated pre-K through grade 12 learning environments as the strategy type above, your narrative description should describe how the different aspects of integrated learning environments listed below are part of that strategy:

☐ Uses policies, curriculum, or trained instructors and other advocates to support magnet schools, differentiated instruction, or targeted interventions.

☐ Provides school enrollment choices.

☒ Increases cultural fluency, competency, and interaction.

Narrative description of this strategy.

These supports provide students from various racial backgrounds opportunities to increase cultural fluency and competency through shared learning and mentoring. Students have the opportunity to collaborate in small and large groups.

Location of services: District-wide

**Strategy #11: Graduation/Career and College Specialist**

**Type of Strategy:** Career/college readiness and rigorous coursework for underserved students, including students enrolled in ALC.

**Integrated Learning Environments** (Minn. Stat. § 124D.861, subd. 1 (c)). If you chose *Innovative and integrated pre-K through grade 12 learning environments* as the strategy type above, your narrative description should describe how the different aspects of integrated learning environments listed below are part of that strategy:

- ☐ Uses policies, curriculum, or trained instructors and other advocates to support magnet schools, differentiated instruction, or targeted interventions.
- ☐ Provides school enrollment choices.
- ☐ Increases cultural fluency, competency, and interaction.
- ☑ Increases graduation rates.
- ☐ Increases access to effective and diverse teachers.

**Narrative description of this strategy.**
The Graduation/Career and College Specialist’s primary role is to meet with students who are not on track to graduate on time. Included in this role is connecting with the student and his/her family to ensure the student remains on track and successfully graduates with his/her cohort. This position creates systems to identify, track, and support at-risk students to implement researched-based programs and intervention strategies to help students. Interpersonal contact (both with students and parents) is heavily emphasized. The GCCS also serves as a mediator between students, parents, and/or teachers to resolve academic conflicts and create solutions to assist the students to get back on track.

Goal #2: Integration Goal
American Indian Student Integration - The consistent attendance of American Indian students will increase from 38.18% to 90% by 2023.

Aligns with WBWF area: All racial and economic achievement gaps between students are closed.
Goal type: Integration

Goal #2 Strategies

Strategy #12: Indian Education and Equity Programs Coordinator

Type of Strategy: Innovative and integrated pre-K-12 learning environments. * If you choose this, complete the Integrated Learning Environments section below.

Integrated Learning Environments (Minn. Stat. § 124D.861, subd. 1 (c)). If you chose Innovative and integrated pre-K through grade 12 learning environments as the strategy type above, your narrative description should describe how the different aspects of integrated learning environments listed below are part of that strategy:

X Uses policies, curriculum, or trained instructors and other advocates to support magnet schools, differentiated instruction, or targeted interventions.
☐ Provides school enrollment choices.

X Increases cultural fluency, competency, and interaction.
X Increases graduation rates.
☐ Increases access to effective and diverse teachers.

Narrative description of this strategy.
The Indian Education and Equity Programs Supervisor will work with students, families, and staff throughout the district and in Racially-Identifiable Schools to help bridge the gap between home, community, and school. This position will oversee programs to enhance social and emotional learning, academic achievement, and integration opportunities in addition to facilitating communication between families and school staff. The effectiveness of this intervention will be assessed through attendance, office discipline referrals, and grades of participating students. The Indian Education and Equity Programs Supervisor will be located in the district office and will travel throughout the district.

Location of services: District-wide

#### Strategy #14: Individual Learning Plans (ILP)

**Type of Strategy:** Innovative and integrated pre-K-12 learning environments

**Integrated Learning Environments** (Minn. Stat. § 124D.861, subd. 1 (c)). If you chose *Innovative and integrated pre-K through grade 12 learning environments* as the strategy type above, your narrative description should describe how the different aspects of integrated learning environments listed below are part of that strategy:

- ☐ Uses policies, curriculum, or trained instructors and other advocates to support magnet schools, differentiated instruction, or targeted interventions.
- ☐ Increases graduation rates.
- ☐ Increases access to effective and diverse teachers.
- X Increases cultural fluency, competency, and interaction.

**Narrative description of this strategy.**

Individual Learning Plans (ILP) will be created for each American Indian student upon enrollment in our school district. The counselor will be the main point of contact and responsible for creating, implementing, and monitoring the ILP. The ILP will address academic, extracurricular, and social/emotional goals and supports. The ILP team, including a counselor, administrator, teachers, students (when age appropriate), and families, and will meet twice yearly - August/September and April/May. A specific emphasis will be placed on training the staff involved to meet the specific, unique challenges facing our American Indian students in our school system.

**Location of services:** District-wide

One hundred percent of 9th grade American Indian students will pass Algebra 1.1 and Algebra 1.2 by May 2023. (the 2019 data is too small to report per MDE guidelines.)

| 50% | 75% | 100% |

This data will be used to support evaluation of your plan (Minn. Stat. § 124D.861, subd. 5).
**Goal #3: Access to Qualified Diverse Teachers Goal**

To create and retain a racially diverse teacher workforce so that students and their communities are reflected in their classroom, we will increase from 6.4% teachers of color to 8% by 2023.

**Aligns with WBWF area:** All racial and economic achievement gaps between students are closed.  
**Goal type:** Teacher Equity

---

**Goal #3 Strategies**

**Strategy #15: Diverse Teacher Collaboration Opportunities**

**Type of Strategy:** Innovative and integrated pre-K-12 learning environments. *If you choose this, complete the Integrated Learning Environments section below*

**Integrated Learning Environments** (Minn. Stat. § 124D.861, subd. 1 (c)). If you chose *Innovative and integrated pre-K through grade 12 learning environments* as the strategy type above, your narrative description should describe how the different aspects of integrated learning environments listed below are part of that strategy:

- **☐** Uses policies, curriculum, or trained instructors and other advocates to support magnet schools, differentiated instruction, or targeted interventions.  
- **☐** Provides school enrollment choices.  
- **X** Increases cultural fluency, competency, and interaction.  
- **☐** Increases graduation rates.

**Narrative description of this strategy.**

The district will provide organized opportunities for staff of color to connect as a group for ongoing support, professional development, and inter district and community networking. This collaboration will inform district retention practices and development of future strategies to create and retain a diverse workforce.

**Location of services:** District-wide

*This data will be used to support evaluation of your plan (Minn. Stat. § 124D.861, subd. 5).*
Creating Efficiencies and Eliminating Duplicative Programs

Briefly explain how this plan will create efficiencies and eliminate duplicative programs and services (Minn. Stat. § 124D.861, subd. 2 (c)).

The Equity Services Department and the Learning and Learning Department reviewed the World’s Best Workforce Plan and our Achievement Integration Plan to assess overlap and identify areas where this plan can create efficiencies and eliminate duplicative programming. This plan targets areas that other departments are not addressing such as AVID, Pre-college Tutors and parent programming. We specifically reviewed Title 1 programming to ensure that this plan does not duplicate any services provided therein.

The Equity Services Department has gathered information from a variety of stakeholders. Committees, staff members, parents, and students were assembled and surveyed. After taking a close look at what has been done over the years relative to protected students, we’ve come up with a district plan that we think will create great levels of success. Knowing that we are in a high stakes period, we will begin collecting baseline data with most of our new programming this year, hoping to improve upon success and raise achievement scores in coming years.
Racially Identifiable School(s) (RIS)

If you have been notified by the Minnesota Department of Education (MDE) that your district has one or more Racially Identifiable Schools, include goals and strategies for each Racially Identifiable School within your district. *If MDE has not notified your district that one of your sites is racially identifiable, delete this section.*

**Achievement and Integration Goals**

This plan must contain three types of goals, at least one for each of the following:

1. Reducing the disparities in academic achievement among all students and specific categories of students excluding the categories of gender, disability, and English learners.
2. Reducing the disparities in equitable access to effective and more diverse teachers among all students and specific categories of students excluding the categories of gender, disability, and English learners.
3. Increasing racial and economic integration (Minn. Stat. § 124D.861, subd. 2 (a)).

**RIS Achievement Goal #1 - Talahi Community School**

**Reading and Math Achievement for American Indian and Hispanic students:**

*Increase the percentage of American Indian and Hispanic students meeting the local math winter benchmark assessment target from 6% to 40% by January 2023.*

*Increase the percentage of American Indian and Hispanic students meeting the local reading winter benchmark assessment target from 29% to 60% by January 2023.*

**Aligns with WBWF area:** All racial and economic achievement gaps between students are closed.

**Goal type:** Achievement Disparity

**Racially Identifiable School Goal #1 Strategies - Talahi Community School**

**Strategy #2: Young Scholars** - Please see above for narrative

**Strategy #16: Technology Integrationist**

**Type of Strategy:** Innovative and integrated pre-K-12 learning environments. * If you choose this, complete the Integrated Learning Environments section below.

**Integrated Learning Environments** (Minn. Stat. § 124D.861, subd. 1 (c)). If you chose Innovative and integrated pre-K through grade 12 learning environments as the strategy type above, describe in your narrative description how the different aspects of integrated learning environments listed below are part of your strategy:

- [X] Uses policies, curriculum, or trained instructors and other advocates to support magnet schools, differentiated instruction, or targeted interventions.
- [X] Provides school enrollment choices.
- [□] Increases cultural fluency, competency, and interaction.
☐ Increases graduation rates.
☐ Increases access to effective and diverse teachers.

**Narrative description of this strategy.**

The Technology Integrationist encompasses many purposes within the racially identifiable schools. This position will provide direct learning opportunities to students and staff focusing on project-based learning through interdisciplinary and innovative activities that are aligned with state academic standards. This provides students additional opportunities for collaboration, cooperation, communication, and creativity. This position also helps the two schools add a deeper level of STEM attraction to the community that positively impacts student enrollment that decreases racial imbalance. Students of all abilities are included through differentiation. This way of teaching fosters all types of talents, helping all children to grow in their learning no matter where they are in their skill acquisition.

RIS Teacher Equity Goal #3 - Discovery Community School

To create and retain a racially diverse teacher workforce at Discovery, so that students and their communities are reflected in their classroom, we will increase from 7% teachers of color to 16% by 2023.

Aligns with WBWF area: All racial and economic achievement gaps between students are closed.

Goal type: Teacher Equity

Racially Identifiable School Goal #3 Strategies - Discovery Community School

Strategy #15: Diverse Teacher Collaboration Opportunities - Please see above for narrative

Type of Strategy: Innovative and integrated pre-K-12 learning environments. *If you choose this, complete the Integrated Learning Environments section below.

Integrated Learning Environments (Minn. Stat. § 124D.861, subd. 1 (c)). If you chose Innovative and integrated pre-K through grade 12 learning environments as the strategy type above, your narrative description should describe how the different aspects of integrated learning environments listed below are part of that strategy:

- Uses policies, curriculum, or trained instructors and other advocates to support magnet schools, differentiated instruction, or targeted interventions.
- Provides school enrollment choices.
- Increases cultural fluency, competency, and interaction.
- Increases graduation rates.
- Increases access to effective and diverse teachers.

Location of services: District-wide

Collaborate with HR to support and develop an annual career fair opportunity for our current non licensed staff of color in their pursuit of teacher licensure. This data will be used to support evaluation of your plan (Minn. Stat. § 124D.861, subd. 5).
Creating Efficiencies and Eliminating Duplicative Programs

Briefly explain how this plan for racially identifiable schools will create efficiencies and eliminate duplicative programs and services within your district (Minn. Stat. § 124D.861, subd. 2 (c)).

The Learning and Teaching Department and the Equity Services Department reviewed the World’s Best Workforce Plan and our Achievement Integration Plan to assess overlap and identify areas where this plan can create efficiencies and eliminate duplicative programming. This plan targets areas that other departments are not addressing such as AVID, Pre-college Tutors and parent programming. We specifically reviewed Title 1 programming to ensure that this plan does not duplicate any services provided therein.

The Equity Services Department has gathered information from a variety of stakeholders. Committees, staff members, parents, and students were assembled and surveyed. After taking a close look at what has been done over the years relative to protected students, we’ve come up with a district plan that we think will create great levels of success. Knowing that we are in a high stakes period, we will begin collecting baseline data with most of our new programming this year, hoping to improve upon success and raise achievement scores in coming years.
