What clubs are offered at Apollo High School?

Apollo High School offers many opportunities for you to pursue your passions, learn something new, and share enjoyable experiences all year long! This year, Apollo is offering 23 clubs ranging from competitive Speech to Trap Shooting and many things in between.

Clubs meet before school or after school, and some of these extra-curricular opportunities meet weekly.

The vast majority of the clubs offered at Apollo High School require no previous experience.

By joining a club, you are giving yourself an opportunity to meet new people, make new friends, and gain new skills along the way.

This year, pursue your passions and join a club! Or two :)

We look forward to meeting you!

Sincerely,

Apollo High School Club Advisors

What athletics are offered at Apollo High School?

Approximately 30% of Apollo High School students are involved in extracurricular activities, and with over 30 different competitive athletic opportunities, we believe we have something for everyone.

Research indicates that leadership is developed through activities. You do better in school when you are involved with extracurricular activities. Being connected with a group creates teamwork, collaboration, and problem-solving skills. It gives you something to be identified with and something to take pride in.

See you at practice,

Apollo High School Coaches

Family Payment Cap:

Each family has a payment cap of \$700.00. This means that once a family reaches the \$700.00 cap, any further activity fees will be waived. This is available each year.

Fees are subject to change.
