-Mighty oaks from tiny acorns grow

From the Desk of ~ Deb Jokela, Oak Hill Principal

May 18th, 2023

May 17, 2023

Greetings Oak Hill Families,

We are winding down another school year. It is hard to believe how quickly the time passes. As I look back and reflect upon the year, it is gratifying to know we have supported so many children in their learning. I hope your child(ren) have loved learning this year as much as our Oak Hill Staff have enjoyed the experience of teaching them.

We are looking forward to 5th Grade Graduation on Friday, June 2nd ! It is always bittersweet to say “farewell” to another class of students as they move on to the next level in their educational experiences.

This is the first year when we have been without any pandemic protocols. In response to some of the impacts of the pandemic, Oak Hill will have two intervention teachers to better support our students academically, and we will continue to have two school counsellors and two behavior support specialists to support the social/emotional needs of our students. I

It has been gratifying to see so many of our families back in our building for the many events we’ve had this school year. We have had choir concerts for all grade levels, PBIS Assemblies are back, and multiple in person family events, including a very successful Family Fun Night! It’s wonderful to be back to a sense of “normal”.

I hope that you will experience a wonderful summer full of exciting adventures.

Sincerely,

Deb Jokela, Principal
