

Tech Fall Athletes and Families:

I am extremely excited for the upcoming school year and am looking forward to kicking off the fall season. As August is quickly approaching, I wanted to send some dates to you so that you have plenty of time to plan for upcoming events.

With the new school still under construction, we will not be having a falls sports PACT meeting. To ensure that your athlete is able to participate in practice starting August 12th, registration papers and sports physical (if needed) must be turned in to the Activities Office as soon as possible. Registration paperwork is available on the District 742 Tech website, the Tech Weightroom, or in the Tech Activities Office.

On July 29th and 30th, from 7:30am – 7:00pm we will have open registration in the Tech Activities Office at the Old High School – Enter Door 3. It is very **IMPORTANT** to register those days as the old school will be closed and the new school not set to open until the end of August.

Practices will start August 12th, 2019 for the following fall sports- check the Activities website for specific practice times and locations:

Girls Soccer- grades 9-12

Boys Soccer – grades 9-12

Volleyball – grades 9-12

Football – grades 9-12

Girls Swimming- grades 7-12

Girls Tennis – grades 7-12

Boys and Girls Cross Country Running – grades 7-12
