Subd. 4. Deduction. Approved absences under this Article will be deducted from accrued accumulative leave when available or by pay deduction when accumulative leave is not available. The School District shall make deductions from accumulative leave equivalent to the actual time absent to the nearest fifteen (15) minute increment.

Subd. 5. Restricted Unpaid Time-Off. Employees who have exhausted their accumulative leave days will not be authorized for leave without pay except in unusual or emergency circumstances, and then only with approval from their supervisor and Executive Director for Human Resources or designee.

Section 2. Sick Leave.

Subd. 1. Sick Leave shall be allowed by the School District whenever an employee is absent due to illness or injury that prevented his/her attendance and performance of duties on that day.

Subd. 2. Medical Certification. The School District may require an employee to furnish a medical certificate from the school health officer or from a qualified physician as evidence of illness or injury, indicating such absence was due to illness, in order to qualify for sick leave pay. However, the final determination as to the eligibility of an employee for sick leave is reserved to the School District.

Subd. 3. Illness of a Child. Sick leave may be used for the illness of an employee's child (includes step-child), subject to the provisions of Minn. Stat. §181.9413.

Subd. 4. Family Illness Leave. Sick leave may be used for serious illness of an employee's spouse, adult child, parent, step-parent, sibling, grandparent, grandchild (includes step-grandchild), father-in-law, mother-in-law, son-in-law or daughter-in-law. Employees who exceed 5 days of absence for serious illness in the immediate family may be required to furnish a medical certificate indicating that a member of their family had a serious illness.

Subd. 5. Long Term Disability. Employees eligible for long-term disability will not receive sick leave pay beyond 90 calendar days.

Subd. 6. Sick Leave Bank. The School District shall permit members of this bargaining unit with more than forty-five (45) accumulative leave days to donate up to three (3) accumulative leave days per year to a colleague who has exhausted sick leave and vacation time due to a long-term illness or disability.

Each donated day shall have a value of one-for-one of a sick leave day. The bargaining unit member donating days under this subdivision may not donate a number of days which reduces the employee's accumulative leave balance below forty-five (45) days.

The number of donated sick leave days which a member of this bargaining unit may receive is limited to the number of days donated, but may not continue beyond the receiving member's eligibility for long term disability.

Section 3. Bereavement.

Subd. 1. Up to five (5) days of bereavement leave per incident shall be allowed for death in the employee's immediate family. The immediate family includes: spouse, parent, child, grandchild, brother, sister, father-in-law, mother-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, grandparents, spouse's grandparents, uncles, aunts, nephews, nieces, corresponding step-persons, and

persons for whom they are legally responsible to make decisions. All absences for bereavement leave will be deducted from accrued accumulative leave.

Subd. 2. In the sole discretion of the Superintendent, an employee may be granted additional days of bereavement leave in the case of extreme circumstances.

Section 4. Child Care Leave.

Subd. 1. A child-care leave may be granted by the School District, subject to the provisions of this section. Child-care leave may be granted for the birth or adoption of a child or children, or because of the need to provide parental care for a child or children of the employee for an extended time.

Subd. 2. Written Request. All requests for child-care leave must be submitted in writing thirty (30) days prior to the anticipated commencement of the intended leave. The request will indicate the proposed commencement and termination dates for the intended leave. In the event of an emergency, the School District has the right to waive or adjust the prior notification requirement.

Subd. 3. Commencement of Leave. Leave under this section will commence upon home placement of an adopted child or immediately after disability, or at a natural break in the school year prior to the birth or home placement of the child, or at such other date mutually agreed upon between the employee and the School District.

Subd. 4. Duration of Leave. In making a determination concerning the duration of a child care leave, the School District shall not, in any event, be required to:

- a) Grant any leave more than twelve (12) months in duration.
- b) Permit the employee to return to his or her employment prior to the date designated in the request for child-care leave.

Subd. 5. Unpaid Leave. Leave under this section shall be without pay, however, an employee may use any accrued paid leave that is available. Insurance benefits may be continued at the option and expense of employee.

Subd. 6. Return from Leave. An employee returning from child-care leave will be returned to his/her previous position or to another comparable position for which he or she is qualified. An employee returning from a child-care leave of less than six months will be returned to his or her previous position.

Section 5. Special Leave.

Subd. 1. Special leave, not to exceed two days per year, may be granted to members of the bargaining unit. Special leave is to be used for personal business that cannot be consummated outside the school day without undue hardship. Special leave is not granted for purposes of recreation, vacation or outside gainful employment except that which is incidental in the pursuit of a school related activity.

Subd. 2. All absences under this section must be approved in advance. Leave used shall be deducted from the employee's accumulative leave.

Subd. 3. Requests for Special Leave shall be made to the Director of Buildings and Grounds and to the Executive Director of Human Resources or designee with reasonable notice in advance of the anticipated absence.

Subd. 4. Examples of legitimate claims for special leave will include, but are not limited to the following:

- a) Matters relating to settlement of an estate in which person has legal interest.
- b) Urgent legal matters of the employee or of a member of his/her immediate family that require the employee's attention.
- c) Pallbearer or attendance at funeral services for persons for whom the staff member feels a moral obligation and which is not covered in other leaves of absences.
- d) Weddings in the family or an attendant at a wedding.
- e) Compelling reasons resulting for a natural disaster.
- f) Family crisis not covered by other leaves of absence.
- g) Other emergencies beyond the employee's control.

Section 6. Jury Duty Pay. All employees required to serve on jury duty shall be paid by the School District the difference between their regular pay and jury duty pay. In implementing this section, the School District shall continue to pay the employee the regular rate of pay and the employee shall be obligated upon receipt of the jury duty pay from the governmental agency to immediately remit the check endorsed payable to the School District. Absences under this section will not be deducted from accumulated leave.

Section 7. Workers' Compensation.

Subd. 1. Upon the request of an employee who is absent from work as a result of a compensable injury under the provisions of the Workers' Compensation Act, the School District will pay the difference between the compensation receive pursuant to the Workers' Compensation Act by the employee and the employee's regular rate of pay, to the extent of the employee's earned accrual of sick leave and/or vacation pay.

Subd. 2. A deduction shall be made from the employee's accumulated vacation or sick pay leave accrual time according to the pro rata portions of days of sick leave or vacation time which is used to supplement Workers' compensation.

Subd. 3. Such payment shall be paid by the School District to the employee only during the period of disability.

Subd. 4. In no event shall the additional compensation paid to the employee by virtue of sick leave or vacation pay result in the payment of a total daily, weekly, or monthly compensation that exceeds the normal compensation of the employee.

Subd. 5. An employee who is absent from work as a result of an injury compensable under the Workers' Compensation Act who elects to receive sick leave or vacation pay pursuant to this policy shall work cooperatively with Human Resources to have any paid leave amounts coordinated with any payment from Workers Compensation.

Section 8. Unpaid Leave of Absence. At the sole discretion of the School District, an employee of this bargaining unit may be granted a leave of absence without pay for purposes not otherwise addressed under this Article. Requests for such leaves shall be submitted in advance of the leave to the Superintendent. The leave request shall include the proposed commencement and termination dates of the leave. An employee returning from a leave of absence under this section for less than ninety (90) days will be returned to his or her previous position. An employee returning from a leave of absence after more than ninety (90) days will be returned to his or her previous position or to another comparable position for which he or she is qualified.

Section 9. Application. The parties agree that the applicable periods of probation for employees are intended to be periods of actual service enabling the School District to have the opportunity to evaluate an employee's performance. The parties agree that periods of time for which the employee is on leave under this Article shall not be counted in determining the completion of the probationary period.

Section 10. Retention of Earned Benefits. Leave of absence under this Article will not constitute a break in employment for purposes of seniority. An employee who returns to work from an unpaid leave within the provisions of this Article shall retain all previous experience credit for pay purposes and any unused leave time accumulated under the provisions of this Agreement at the commencement of the beginning of the leave. The employee shall not accrue additional experience credit for pay purposes or leave time during the period of absence for unpaid leave.

Section 11. Insurance Participation. An employee on unpaid leave is eligible to participate in group insurance programs if permitted under the insurance policy provisions, but shall pay the entire premium for such program as the employee wishes to retain, commencing with the beginning of the unpaid leave. The right to continue participation in such group insurance programs, however, will terminate if the employee does not return to the School District pursuant to this section.

ARTICLE XI PROBATION, DISCIPLINE AND DISCHARGE

Section 1. Probationary Period. Each new employee shall serve a probationary period of six (6) months of continuous service in the School District. During the probationary period the School District shall have the unqualified right to discipline or discharge such employee without recourse to the grievance procedure.

Section 2. Completion of Probationary Period. Employees who complete a successful probationary period shall be regarded as regular employees and will be disciplined or discharged only for cause as outlined below.

Section 3. Probationary Period After Promotion. An employee promoted to a higher classified position shall be on probation for sixty (60) work days during which period the Employer shall have the right to return the employee to his/her former position. This right is not subject to the grievance procedure.

Section 4. Employee Discipline. After an employee has completed the probationary period, the Employer may discipline or discharge an employee only for just cause. Disciplinary action shall normally include the following actions and will normally be taken in the following order, except in cases of serious misconduct:

1. Oral reprimand
2. Written reprimand
3. Suspension without pay
4. Discharge

Employees who are subject to the above actions shall have the right to union representation, if desired, at any meetings with the district's representative(s).

ARTICLE XII SENIORITY AND LAYOFF

Section 1. Application. The parties recognize the principle of seniority in the application of this Article, by Class on Schedule A, provided the employee is fully qualified to perform the duties and responsibility of the position. This section shall be applicable in a reduction of hours only if the reduction causes the employee to lose eligibility for benefits under this Agreement or if an employee's hours are reduced by more than 25% of the employee's existing time.

Section 2. Layoff. In the event of a layoff, an employee losing a position within classification, may exercise seniority in a lower classification, provided the employee is fully qualified to perform the duties and responsibilities of such position. A reassignment to an equivalent position shall not constitute a layoff pursuant to this Article. An employee may not exercise seniority in a higher classification in the event of a layoff. The School District shall provide any employee who is to be laid off with two (2) weeks written notice of the proposed layoff.

In the event an employee is bumped into a lower classification due to seniority, his/her rate of pay prior to reclassification will be maintained for twelve months, after which the rate of pay will reflect the new classification.

Section 3. Recall. An employee on layoff shall retain seniority and right to recall within classification in seniority order for vacancies which occur in the School District for a period of eighteen (18) calendar months after the date of layoff, provided the employee is qualified to perform the duties and responsibilities of the position. An employee with recall rights shall maintain a current mailing address on file with the School District and failure

to accept recall within ten calendar days shall cause forfeiture of the employee's further recall rights. The School District will not employ a new person in a vacant position as long as an employee on layoff pursuant to this Article is qualified to perform the duties and responsibilities of the position and accepts recall as provided herein.

Section 4. Seniority Date. Employees shall acquire seniority within their classification category upon completion of the probationary period as defined in Article XI. Upon acquiring seniority, an employee's seniority date shall relate back to the first date of continuous service in the School District in a classification covered by this Agreement (See Schedule A). If more than one employee commences work on the same date in a classification category, the tie shall be broken by using the last four digits of the employees' social security numbers, recognizing the employee with the higher number as the most senior.

Section 5. Seniority List. On or about November 1 of each year the School District shall post a seniority list for each job classification. An employee who disagrees with the posted seniority list will have twenty (20) working days from the date of the posting to supply written documentation or other proof to the School District in an effort to resolve any dispute. If the dispute is not resolved within those twenty (20) days, an employee shall have an additional twenty (20) days to challenge their seniority listing through the grievance process. If no challenges are made within twenty (20) days of posting, the seniority list is final.

ARTICLE XIII VACANCIES AND POSTING

Section 1. Postings of Vacancies or New Positions. All vacancies and new positions within the bargaining unit, which are anticipated to be at least 45 consecutive days in duration, will be posted for at least five (5) working days during the school year and ten (10) working days during the summer recess. For purposes of this Article, the term "vacancy" shall mean a position where no employee is holding a claim to the position, i.e., leave of absence, or a current position where an increase in hours will make the position eligible for an increased level of benefits under Article VIII.

Section 2. Application for Vacancies. It is the right of the School District to select the best qualified candidate for an open position. All applications will be considered by the School District and final decision for employment, advancement, transfer or promotion will be made by the School District after considering the qualifications of all applicants. Qualifications of applicants will include background, training, seniority, experience, education, aptitude for the position and testing results. If it is determined by the School District that two or more internal candidates are equally qualified for an opening, the senior qualified employee will be assigned to the position.

Section 3. Temporary Assignment. The School District may fill a vacancy or new position, temporarily, pending completion of the assignment process.

Section 4. Reassignment. The School District may assign staff within job classification so as to best meet the needs of the District. Except in the case of an emergency, an

employee proposed to be reassigned by the School District will normally be given at least ten (10) calendar days' notice of the proposed reassignment. Prior to the reassignment becoming final, the employee will have the right to request a meeting with the Director of Buildings and Grounds, the Executive Director of Human Resources or designee and a union representative to discuss the reassignment.

Subd. 3. Computation of Time. In computing any period of time prescribed or allowed by procedures herein, the date of the act, event, or default from which the designated period of time begins to run shall not be included. The last day of the period so computed shall be counted, unless it is a Saturday, a Sunday or a legal holiday, in which event the period runs until the end of the next day which is not a Saturday, a Sunday, or a legal holiday.

Subd. 4. Filing and Postmark. The filing or service of any notice or document herein shall be timely if it bears a postmark of the United States mail within the time period.

Section 4. Time Limitation and Waiver. Grievances shall not be valid for consideration unless the grievance is submitted in writing to the School District's designee, setting forth the facts and specific provision(s) of the Agreement allegedly violated and the particular relief sought, within twenty (20) days after the event giving rise to the grievance occurred. Failure to file any grievance within such period shall be deemed a waiver thereof. Failure to appeal a grievance from one level to another within the time periods hereafter provided shall constitute a waiver of the grievance. An effort shall first be made to adjust an alleged grievance informally between the employee and the School District's designee. By written mutual agreement, the parties may waive any step and/or extend any time limits of the grievance procedure.

Section 5. Adjustment of Grievance. The School District and the employee shall attempt to adjust all grievances that may arise during the course of employment of any employee within the School District as follows. All grievances at all levels shall be filed with the Executive Director of Human Resources.

Subd. 1. Informal. The Employee(s) and union will attempt to resolve an alleged grievance with the School District through informal means by meeting with the employee's building administrator within ten (10) days of the event giving rise to the concern.

Subd. 2. Level I. If the grievance is not addressed through informal discussion, the grievance shall be filed in writing with the Executive Director of Human Resources or designee. Following this meeting the Executive Director shall have five (5) days to provide a written decision on the grievance to the parties involved.

Subd. 3. Level II. In the event the grievance is not resolved in Level I, the decision rendered may be appealed to the Superintendent of Schools, provided such an appeal is made in writing within ten (10) days after receipt of the decision in Level I. If a grievance is properly appealed to the Superintendent, the Superintendent or his/her designee shall meet regarding the grievance within fifteen (15) days after

receipt of the appeal. Within ten (10) days after the meeting, the Superintendent or his/her designee shall issue a decision, in writing, to the parties involved.

Subd. 4. Level III. Within twenty (20) days after the meeting the School Board shall issue its decision in writing to the parties involved. At the option of the School Board, a committee or representative(s) of the School District may be designated by the School Board to hear the appeal at this level, and report its findings and recommendations to the School District. The School District shall then render its decision.

Section 6. Denial of Grievance. Failure of the School District or its representative to issue a decision within the time periods provided herein shall constitute a denial of the grievance, and the employee may appeal it to the next level.

Section 7. Arbitration Procedures. In the event that the employee and the School District are unable to resolve any grievance, the grievance may be submitted to arbitration as defined herein:

Subd. 1. Request. A request to submit a grievance to arbitration must be in writing, signed by the aggrieved party, and such request must be filed in the office of the Superintendent within ten (10) days following the decision in Level III of the grievance procedure.

Upon the proper submission of a grievance under the terms of this procedure, the parties shall, within ten (10) days after the request to arbitrate, attempt to agree upon the selection of an arbitrator. If no agreement on an arbitrator is reached, either party may request the Commissioner of the Bureau of Mediation Services to submit a panel of seven arbitrators to the parties, pursuant to PELRA, provided such request is made within twenty (20) days after request for arbitration. The request shall ask that the panel be submitted within ten (10) days after the receipt of said request. Within ten (10) days after receipt of the panel, the parties shall alternately strike names, and the remaining name shall be the arbitrator to hear the grievance. The order of striking shall be determined by lot. Failure to agree upon an arbitrator or the failure to request an arbitrator from the Commissioner within the time periods provided herein shall constitute a waiver of the grievance.

Subd. 4. Hearing. The grievance shall be heard by a single arbitrator, and both parties may be represented by such person or persons as they may choose to designate, and the parties shall have the right to a hearing, at which time both parties shall have the opportunity to submit evidence, offer testimony and make

oral and written arguments relating to the issues before the arbitrator. The proceeding before the arbitrator shall be a hearing de novo.

Subd. 5. Decision. The decision by the arbitrator shall be rendered within thirty (30) days after the close of the hearing. Subd. 6. Expenses. Each party shall bear its own expenses in connection with arbitration, including expenses relating to the party's representatives, witnesses, and any other expense that the party incurs in connection with presenting its case for arbitration. A transcript or recording shall be made of the hearing at the request of either party. The parties shall share equally the fees and expenses of the arbitrator, the cost of the transcript or recording, if requested by either or both parties, and any other expense that the parties mutually agree are necessary for the conduct of the arbitration.

Subd. 7. Jurisdiction. The arbitrator shall have jurisdiction over disputes or disagreements relating to grievances properly before the arbitrator pursuant to the terms of this procedure. The jurisdiction of the arbitrator shall not extend to proposed changes in terms and conditions of employment as defined herein and contained in this written agreement; nor shall an arbitrator have jurisdiction over any grievance which has not been submitted to arbitration in compliance with the terms of the grievance and arbitration as outlined herein; nor shall the jurisdiction of the arbitrator extend to matters of inherent managerial policy, which shall include but are not limited to such areas of discretion or policy as the functions and programs of the employer, its overall budget, utilization of technology, the organizational structure, and selection and direction and number of personnel. In considering any issue in dispute, in its order the arbitrator shall give due consideration to the statutory rights and obligations of the public school boards to efficiently manage and conduct its operation within the legal limitations surrounding the financing of such operations.

Section 8. Mediation. By written mutual agreement the parties may waive any step or suspend any timeline in order to submit a grievance to mediation by filing a joint petition with the Commissioner of Mediation Services.

This Agreement shall remain in full force and effect for a period commencing on July 1, 2019, through June 30, 2021, and thereafter pursuant to the P.E.L.R.A. If either party desires to modify or amend this Agreement commencing at its expiration, it shall give written notice of such intent no later than ninety (90) days prior to said expiration. Unless otherwise mutually agreed, the parties shall not commence negotiations more than ninety (90) days prior to the expiration of this Agreement.
