Subd. 4. Summer Insurance Contributions for School Year Employees. A regular employee who is in active service for at least sixty (60) continuous working days of the school year and is in paid status or on an approved medical leave for an FMLA qualifying event as of the last contract day of the school year, will be eligible for continuing insurance coverage during June, July and August following the school year, with the District and employee making the full scheduled premium contribution for those months.

An employee who terminates employment before the end of the school year (i.e. their last scheduled workday) shall not be eligible for District contributions to insurance premiums during June, July or August, and will be responsible for the full insurance premium if they elect to continue coverage in any insurance plans.

Subd. 5. Insurance Contributions During Unpaid Leave. Employees who are absent from work and in unpaid status in any month of the school year (September

through May) will be responsible for both the District and the Employee contribution toward the monthly insurance premium for any month that they are not in active status for at least ten (10) paid days. Employees that are absent for a qualifying medical event under the Family Medical Leave Act (FMLA), and who are considered an eligible employee under the FMLA, shall receive the District contribution to their health insurance plan during an approved medical leave as required by the FMLA.

Subd. 6. Collection of Employee Share of Premium Contributions. The employee share of any premium costs will be paid through payroll deduction. Eligible employees who are required to pay any portion of their premium for group insurance benefits other than through payroll deductions, will submit a check payable to the District, pursuant to District procedures and timelines. If payment is not received as required, coverage will terminate at the end of the month. An employee starting after the 15th of the month that elects immediate coverage shall have the option to have the 50% of the total monthly premium prorated over the remaining pay periods that year and paid by payroll deduction or may pay by check.

Subd. 7. Duration of Insurance Contribution. An employee is eligible for School District contributions as provided in this Article as long as an employee is employed by the School District. Employees whose employment terminates during the school year will be eligible for insurance and district contributions to insurance through the end of the month in which they terminate provided they pay the employee portion of the insurance premium for that month. Otherwise, the employee's insurance will terminate as of the last day of employment.

Section 8. Retention of Benefits. If after November 30th of any year an employee's position is reduced in hours by the School District below the number of hours required to be eligible for benefits under this Article, the employee shall continue to receive benefits based on their assignment prior to the reduction of hours for the remainder of the school year.

Section 9. Claims Against the School District. The School District's only obligation is to purchase an insurance policy and pay such amounts as agreed to herein, and no claim shall be made against the School District as a result of a denial of insurance benefits by an insurance carrier.

Section 10. Medical Insurance for Retirees. Employees in this unit who are covered by a School District health and hospitalization plan at the time of retirement may continue in the plan at their own expense up to the age of 65, or longer as provided by Minnesota Law. Premium payments must be received in the Human Resources Office of the School District by the 1st day of the month of coverage.

ARTICLE VI PROBATION PERIOD

Section 1. Probationary Period. Employees in this work group are employees-at-will,

however, each new employee shall serve a probationary period of sixty-seven (67) working days of continuous service in the School District, exclusive of leave days under Article IV. During the probationary period the School District shall have the unqualified right to discharge such employee.

Section 2. Completion of Probationary Period. Employees who complete a successful probationary period shall be regarded as regular employees, although nothing in these guidelines alters the employee-at-will relationship with the School District.

Section 3. Probationary Period After Promotion. An employee promoted to a higher classified position shall be on probation for thirty (30) work days during which period the School District shall have the right to return the employee to his/her former position at the discretion of the school district.

ARTICLE VII SEVERANCE PAY / WELLNESS PAY / 403B

Section 1. Severance Pay.

Subd. 1. Eligibility. Employees meeting the following requirements shall be eligible for severance pay pursuant to the provisions of this section, upon submission of a written resignation accepted by the School District:

- b. Employees who become and remain totally and permanently disabled while employed by the School District;
- c. Employees whose death occurs while employed by the School District.

Subd. 2. Calculation of Severance Pay. An eligible employee shall receive as severance pay upon her/his retirement, the amount obtained by multiplying the number of his/her accrued accumulative leave days up to sixty (60) days, times her/his daily rate of pay at the time of retirement, disability or death, times the percentage determined by the employee's years of service on her/his last day of employment.

10 full years of service	40%
15 full years of service	50%
20+ full years of service	60%

Subd 3. Employees with more than 30 years of service as of January 1, 2020, or who retire prior to July 1, 2021, will be eligible for severance pay based on their accrued accumulative leave days up to one hundred (100) days.

Subd. 3. Ineligibility.

Severance pay under this section shall not be granted to any employee who is discharged for cause by the School District or who resigns while under investigation for misconduct.

Subd. 4. Payment.

- a. Severance Pay under this section shall be paid by the School District into the employee's Minnesota Health Care Savings Plan (MHCSP) within sixty (60) days of retirement.
- b. If an employee completes and qualifies for a waiver of participation based on the health care savings plan criteria, and the waiver is presented to the School District at least two (2) months in advance of the employee's retirement date, payment under this section shall be paid directly to the employee in one lump sum within sixty (60) days of retirement.
- c. If an employee who is eligible for severance pay under this article dies prior to submitting a notice of resignation or retirement, or after submitting notice but prior to the anticipated retirement date, severance pay will be paid to the employee via payroll or to the employee's estate and not to the MHCSP.

Section 2. Wellness Pay. Effective January 1, 2019, employees shall receive annual wellness pay for all accrued accumulative leave days in excess of sixty (60) days. The school district shall pay out an amount equal to the total number of excess days multiplied by the employee's daily rate times .6 by August 31st of each year, into the employee's Minnesota Health Care Savings Plan (MHCSP).

School Year employees that have accrued more than seventy (70) days or Twelve Month employees that have accrued more than seventy two (72) days as of June 30, 2020, will receive wellness pay for up to ten days for School Year Employees and up to twelve days for Twelve Month employees pursuant to this section, and any additional days will be placed in a sick leave bank that will be available to the employee for sick leave should their accrued balance of accumulative leave be exhausted. Days in the sick leave bank shall not be eligible for payout as severance or wellness pay, except as provided in Section 1, Subd. 3 of this Article.

Section 3. 403b Plan.

Subd. 1. Participation. Employees of this employee group shall be eligible to participate in a 403b plan pursuant to Minnesota Statutes §356.24.
