Section 6.7. Mileage. Administrators who may be required to use their own automobile in the performance of their duties shall be reimbursed for all such travel at the I.R.S. approved rate. When the rate is changed, the new rate will be paid effective January 1, subsequent to the change. All travel reimbursements shall be subject to the School District's approval and shall be only for driving done between assigned locations. Noon hour travel, except to reach an assigned location, is not reimbursable.

Section 6.8. Summer School. Administrators who serve as Directors of ESY or Targeted Services Summer School based on program needs and with Superintendent approval, shall be compensated on a pro-rated basis based on their daily rate of pay. Days compensated for summer school pursuant to this
provision shall not be counted as part of the Administrators duty days under section 6.2.

Section 6.9. Doctorates: An administrator with a Doctorate degree shall receive an additional $1,000 per annum beyond the rate specified on the Salary Schedule. Doctorate pay shall not be included in calculating the daily rate of pay.

Section 6.10. Special Duty Pay. The Superintendent shall have the discretion to provide up to ten days of additional compensation to an Administrator for duties required by the Superintendent that are outside the scope of his/her regular assignment.

ARTICLE VII
GROUP INSURANCE

Section 7.1. Selection of Carrier. The selection of the insurance carrier and policy shall be made by the School District after reviewing the recommendations of the Labor Management Committee composed of employee group and other employee representatives.

Section 7.2. Eligibility.

Subd. 1. To be eligible for benefits under this Article, an administrator must be regularly employed at least 30 hours per week.

Subd. 2. Determination of Eligibility. An administrator’s eligibility for participation in insurance benefits under this Article will be based on their assigned schedule during the first month of the school year, or at the time of hire if hired later in the school year. A reduction in hours resulting from a change in an administrator’s assignment by the School District based on shortage of work or funding, shall not affect the employee’s eligibility for insurance contributions from the School District for the remainder of the School Year.

Subd. 3. Ineligible Employees. An administrator who is regularly employed less than 30 hours per week shall not be eligible for the benefits of this Article. Upon termination of employment, an administrator is no longer eligible for participation in School District insurance plans effective the last day of the month following the date of termination.

Section 7.3. Medical Insurance Plan.

Subd. 1. The District will provide group health insurance pursuant to the provisions established below. It is understood that the District's only obligation is to pay such amounts as provided by the plan documents and
agreed to herein and no claim will be made against the District as a result of a denial of insurance benefits pursuant to the provisions of the plan.

**Subd. 2.** Pursuant to the plan documents, the District will provide a high deductible health insurance plan for single and family plans. Plan coverage summaries will be provided to all participating employees.

**Subd. 3. HRA Contribution:** The district will provide a Health Reimbursement Account for all eligible and participating employees that will be available to fund expenses relating to deductibles or co-pays under the plan. The plan year shall run from October 1 through September 30 of each year and HRA contributions will be funded on October 1 at the levels set forth below:

1) The District shall contribute $1,000 per employee carrying single coverage, and $2,000 per participating employee carrying dependent coverage.

2) New employees starting service after the beginning of the plan year in October will receive an HRA contribution prorated by month based on the month of their first date of service. Substitute or temporary employees will not be eligible for an HRA contribution.

3) Employees eligible for Employee Married to Employee (EME) coverage pursuant to Subd. 6., below, will receive an HRA contribution of $1,500 for each employee if in single coverage plans or $3,000 to the employee carrying a dependent coverage plan.

4) Employees will be allowed to roll over unused HRA dollars year-to-year up to a cap of two times the deductible for the selected single or dependent plan. At no time will an employee have access to HRA dollars in excess of the cap.

5) An employee eligible for retirement benefits at the time of separation from the District shall have one year to spend down any balance in the employee’s HRA account pursuant to the provisions of the plan.

**Subd. 4. Single Coverage.** Effective January 1, 2018, the School District shall contribute a sum of not to exceed $615.00 per month toward the premium for individual coverage for each eligible employee who qualifies for and is enrolled in a School District single group health and hospitalization plan. Any additional cost of the premium shall be borne by the employee and paid by salary reduction.

**Subd. 5. Family Coverage.** The School District shall contribute a sum of not to exceed $1193.00 per month toward the premium for dependent
coverage for each eligible employee who qualifies for and is enrolled in a School District family health and hospitalization plan. Any additional cost of the premium shall be borne by the employed and paid by salary reduction.

Subd. 6. Employee Married to Employee. For any member of this unit qualifying for health and hospitalization coverage under this Article, whose spouse is also a School District employee qualifying for health and hospitalization coverage, the School District shall contribute a sum not to exceed the premium for two fully paid single insurance plans, or one fully paid dependent insurance plan employees with eligible dependents, for the full contract year.

Section 7.4. Dental Insurance. The School District shall contribute a sum of not to exceed $32.93 per month toward the premium for single coverage, and $78.75 per month toward the premium for dependent coverage, for each eligible employee who qualifies for and is enrolled in a single or family School District group dental plan. Any additional cost of the premium shall be borne by the employee and paid by salary reduction.

Section 7.5. Long Term Disability. The School District shall provide a group long term disability insurance program and will pay the cost of the premium for each employee eligible for benefits under this Article. The School District will pay up to $800.00 per month toward the health and hospitalization insurance premium for an employee qualifying for long term disability benefits for a period not to exceed 17 months. An employee is not eligible for paid sick leave while receiving long term disability insurance benefits.

Section 7.6. Life Insurance. The School District shall provide $50,000.00 in life insurance coverage for each employee eligible for benefits under this article and pursuant to the terms of the School District insurance policy. Full-time employees may purchase an additional $100,000 of insurance. Premium payments shall be the responsibility of the employee and made by salary reduction.

Section 7.7. Insurance Work Year. Insurance contributions for employees eligible for benefits under this article shall be paid monthly for twelve months of the year from July through June.

Section 7.8. District Insurance Contributions. Employees electing district insurance coverages will be eligible for insurance contributions from the District as follows:

Subd. 1. Starting Date of Insurance. An employee whose first day of continuous employment with the District begins on or before the 15th day of the month will be eligible for insurance on the first day of continuous employment. The Employee will be responsible for the full employee portion
of the premium for that month and the District will be responsible for the full employer contribution for that month.

An employee whose first day of continuous employment with the District begins after the 15th day of the month will be eligible for insurance and District contributions to premiums on the first day of the following month. An employee wishing to be immediately eligible for insurance coverage on their first day of continuous employment with the District may elect to begin coverage as of their first day of continuous employment and shall be responsible for 50% of the total monthly insurance premium without contribution from the District.

**Subd. 2. Summer Insurance Contributions for School Year Employees.**
A regular employee who is in active service for at least sixty (60) continuous working days of the school year and is in paid status or on an approved medical leave for an FMLA qualifying event as of the last contract day of the school year, will be eligible for continuing insurance coverage during June, July and August following the school year, with the District and employee making the full scheduled premium contribution for those months.

An employee who terminates employment before the end of the school year (i.e. their last scheduled workday) shall not be eligible for District contributions to insurance premiums during June, July or August, and will be responsible for the full insurance premium if they elect to continue coverage in any insurance plans.

**Subd. 3. Insurance Contributions During Unpaid Leave.** Employees who are absent from work and in unpaid status in any month of the school year (September through May) will be responsible for both the District and the Employee contribution toward the monthly insurance premium for any month that they are not in active service for at least ten (10) paid days. Employees that are absent for a qualifying medical event under the Family Medical Leave Act (FMLA), and who are considered an eligible employee under the FMLA, shall receive the District contribution to their health insurance plan during an approved medical leave as required by the FMLA.

**Subd. 4. Collection of Employee Share of Premium Contributions.** The employee share of any premium costs will be paid through payroll deduction. Eligible employees who are required to pay any portion of their premium for group insurance benefits other than through payroll deductions, will submit a check payable to the District, pursuant to District procedures and timelines. If payment is not received as required, coverage will terminate at the end of the month. An employee starting after the 15th of the month that elects immediate coverage shall have the option to have the 50% of the total monthly premium prorated over the remaining pay periods that year and paid by payroll deduction or may pay by check.
Subd. 5. Duration of Insurance Contribution. An employee is eligible for School District contributions as provided in this Article as long as an employee is employed by the School District. Employees whose employment terminates during the school year will be eligible for insurance and district contributions to insurance through the end of the month in which they terminate provided they pay the employee portion of the insurance premium for that month. Otherwise, the employee’s insurance will terminate as of the last day of employment.

Section 7.9. Claims Against the School District. The School District’s only obligation is to purchase an insurance policy and pay such amounts as agreed to herein, and no claim shall be made against the School District as a result of a denial of insurance benefits by an insurance carrier.

Section 7.10. Medical Insurance for Retirees. Employees in this unit who are covered by a School District health and hospitalization plan at the time of retirement may continue in the plan at their own expense up to the age of 65, or longer as provided by Minnesota Law. Premium payments must be received in the Human Resources Office of the School District by the 1st day of the month of coverage.

ARTICLE VIII
LEAVES OF ABSENCE

Section 8.1. Approval. Approval for the use of accumulative leave for absences under this Article shall be consistent with the provisions of the leave policies and procedures of the School District. It is the responsibility of the administrator to notify her/his supervisor of absence due to illness or emergency as soon as possible to report the reason for her/his absence. Subd. 2. Medical Certification. The School District may require an administrator to furnish a medical certificate from the school health officer or from a qualified physician as evidence of illness or injury, indicating such absence was due to illness, in order to qualify for sick leave pay. However, the final determination as to the eligibility of an employee for sick leave is reserved to the School District.

Special leave is not granted for purposes of recreation, vacation or outside gainful employment except that which is incidental in the pursuit of a school related activity.

Subd. 2. All absences under this section must be approved in advance. Leave used shall be deducted from the administrator's accumulative leave.

Subd. 3. Requests for Special Leave shall be made to the Administrator’s direct supervisor and the Executive Director of Human Resources with reasonable notice in advance of the anticipated absence.

In the event of an emergency, the School District has the right to waive or adjust the prior notification requirement.
Subd. 3. Commencement of Leave. Leave under this section shall commence upon home placement of an adopted child or immediately after disability, or at a natural break in the school year prior to the birth or home placement of the child, or at such other date mutually agreed upon between the administrator and the School District.

In implementing this section, the School District shall continue to pay the employee the regular rate of pay and the employee shall be obligated upon receipt of the jury duty pay from the governmental agency to immediately remit any witness fees received to the School District less any mileage expenses. Absences under this section shall not be deducted from accumulated leave.

**Subd. 2.** A deduction shall be made from the administrator’s accumulated vacation or sick pay leave accrual time according to the pro rata portions of days of sick leave or vacation time which is used to supplement Workers’ compensation.

**Subd. 3.** Such payment shall be paid by the School District to the administrator only during the period of disability.

**Subd. 5.** An administrator who is absent from work as a result of an injury compensable under the Workers’ Compensation Act who elects to receive sick leave or vacation pay pursuant to this policy shall work cooperatively with Human Resources to have any paid leave amounts coordinated with any payment from Workers Compensation.

**Section 8.10. Unpaid Leave of Absence.** At the sole discretion of the School District, an administrator may be granted a leave of absence without pay for purposes not otherwise addressed under this Article. Requests for such leaves shall be submitted in advance of the leave to the Superintendent and the Executive Director of Human Resources. The leave request shall include the proposed commencement and termination dates of the leave and the purpose of the leave.

**Section 8.11. Application.** The parties agree that the applicable periods of probation for administrators are intended to be periods of actual service enabling the School District to have the opportunity to evaluate an employee’s performance. The parties agree that periods of time for which the administrator is on leave under this Article shall not be counted in determining the completion of the probationary period.

**Section 8.12. Retention of Earned Benefits.** An administrator who returns to work from an unpaid leave within the provisions of this Article shall retain any unused leave time accumulated under the provisions of these guidelines at the commencement of the beginning of the leave. The administrator shall not accrue additional leave time during the period of absence for unpaid leave.

**Section 8.13. Insurance Participation.** An administrator on unpaid leave is eligible to participate in group insurance programs if permitted under the insurance policy provisions, but shall pay the entire premium for such program as the
employee wishes to retain, commencing with the beginning of the unpaid leave. The right to continue participation in such group insurance programs, however, shall terminate if the administrator does not return to the School District pursuant to this section.

ARTICLE IX
DUTY YEAR

Section 9.1. Intent. It is the intention of the School District and the SCAA to establish in this section the Duty Year requirements for administrators to fulfill their contractual obligation to the School District.

The parties acknowledge that administrators of this unit serve a critical function in the leadership and management of the School District and must commit whatever time is necessary to accomplish their managerial duties and responsibilities. In fulfilling their professional responsibilities administrators will often be required to work more than a traditional eight-hour day and more than the minimum Duty Year established for their positions. The following provisions are intended to balance professional responsibility and accountability with administrative discretion and flexibility in the fulfillment of the contractual expectations of the School District.

Section 9.2. Duty Year. The Duty Year for administrators will run from July 1 to June 30 of each year, pursuant to the duty day provisions set forth below.

Section 9.3. Duty Days. Duty days shall include the total number of paid service days, paid holidays and paid leave days recorded in a duty year. The number of duty days shall not be modified unless mutually agreed upon between the SCAA and the District. Administrators shall serve the minimum number of duty days required for their position and may schedule non-duty days as set forth in the table in Section 6.2 according to the provisions below.

Section 9.4. Duty Day Schedule. The specific duty days for each duty year shall be established by each Administrator subject to the approval of the Administrator’s supervisor. Administrators are generally expected to be in service during teacher work days, subject to the other provisions of this Article.

Section 9.5. Non Duty Days. Non-duty days may be used flexibly throughout the duty year, subject to the needs of the School District, provided they are scheduled in advance and approved by the Administrator’s supervisor. Administrators are encouraged to schedule non-duty days when school is not in session. Administrators may schedule no more than ten (10) non-duty days during days that teachers are in service, and no more than five (5) consecutive non-duty days may be scheduled at one time. Up to five (5) non-duty days may be carried over from year-to-year. Changes to these limits may be approved at the discretion of the Superintendent or his/her designee.
Section 9.6. Compensatory Flex Days. Weekend days and holidays will not be counted as duty days unless the administrator receives Superintendent approval in advance of the requested duty day for special circumstances that require the administrator to be on duty.

Compensatory Flex Days may be granted for attendance at conferences or workshops, for necessary travel days related to conference attendance or for other special circumstances requiring the administrator to be on duty, subject to the discretion and approval of the Superintendent or his/her designee.

Special Education Supervisors who are required to deliver training for licensed or non-licensed staff outside their regular workday may request up to three (3) compensatory flex days per year that may be used on non-teacher contact days.

Section 9.7. Holidays. Administrators shall be entitled to the following 10 holidays during the Duty Year:

- Independence Day: December 24
- Labor Day: December 25
- Thanksgiving: New Years Eve
- Thanksgiving Friday: New Years Day
- Spring Break Friday
- Memorial Day

In addition, Administrators are entitled to two (2) floating holidays per year, which are to be taken during non-student days unless otherwise approved by the Superintendent or designee.

Section 9.8. Mandatory Duty Days. The Superintendent reserves the right to designate specific calendar dates during the duty year as mandatory duty days when all administrators will be expected to be in service. A schedule of mandatory duty days will be provided to administrators by June 1 for the following duty year.

Section 9.9. Duty Status. To be considered in "duty" status an administrator must be performing official functions of their position at a work site in the District or at an approved work site out of the District.

Section 9.10. Reporting of Absences. Administrators shall timely enter absences into the District's electronic attendance system for non-duty days or accumulative leave days. Absences should be entered in advance of the absence whenever possible, but in the event of emergency circumstances should be entered within 48 hours of the absence. Absences of three (3) or more consecutive days during student contact time require the advance approval of the Superintendent or his/her designee, and should be submitted as far in advance as possible. Failure to comply with the reporting requirements of this section may lead to disciplinary action.
ARTICLE X
ADMINISTRATIVE RESPONSIBILITY

A. The parties mutually recognize that their first obligation is to the public and that the right of students and residents of the School District to the continuous and uninterrupted operation of the school is of paramount importance.

B. Administrators of this unit have a unique responsibility to represent the School District in times of emergency and/or stress situations and to carry out the directives of the School District.

C. Administrators may have their work schedule modified during a work stoppage. Contract weeks will not be reduced during the contract year that a strike or work stoppage occurs.

ARTICLE XI
WELLNESS BENEFITS

Section 11.1. Wellness Benefits

Subd. 1. Eligibility. All members of the SCAA are eligible for Wellness Benefits under this section.

Subd. 2. Definition of Daily Rate of Pay. “Daily rate of pay” means the administrator’s daily rate for the last fiscal year in which the administrator is employed and will not include compensation for extended employment or other extra compensation.

Subd. 3. Mandated Employee Contributions. Eligible administrators can accrue up to four hundred eighty (480) hours (60 days x 8 hours) of accumulative leave, plus the 96 hours (12 days x 8 hours) credited at the beginning of each school year. At the end of each school year, any eligible administrator who has accrued more than 480 accumulative leave hours will have such hours in excess of 480 hours purchased by the District based on the following formula:

\[
\text{Hours in Excess} \times \text{Administrator's Hourly Rate (Daily Rate/8)} \times 0.60
\]

The District will purchase such days at the end of the school year by depositing these wellness dollars directly into the administrator’s MHCSP account administered in accordance with Minn. Statute 352.98.

Matching contributions for part-time administrators will be prorated based on their percent of contract. A year of service is defined as a year in which the administrator worked at least 120 days.

The School District matching amount shall be pursuant to the schedule set forth below and shall not exceed the Annual Maximum Match Amount:

An administrator will no longer be eligible for matching contributions after completing nine (9) years of service in this unit. Administrators who are no longer eligible for the matching plan, remain eligible to participate in the 403(b) plan upon completion of a salary reduction agreement.

Subd. 4. A salary reduction authorization agreement must be completed by the eligible administrator by September 1 for the administrator to participate in the 403(b) Matching Contribution Plan for that school year.

b. Part-time years of service of .50 or more accrued prior to July 1, 2010, will be treated as eligible years of service for purposes of this section;

c. Part-time years of service of .50 or more accrued after July 1, 2010, will be treated as a full year of eligible service, but the administrator will receive prorated severance pay for those years of service when they worked part-time.

d. Any year in which an administrator is on a full year leave of absence will not be counted as an eligible year of service;
Subd. 2. Calculation of Severance Pay. An administrator meeting the eligibility requirements of Section 13.1 Subd.1. at the time of resignation, retirement, disability or death shall receive Severance Pay as follows:

b. Pursuant to paragraph 13.1.1.c above, severance pay for part-time years of service after July 1, 2010 will be prorated;

c. Total Severance Pay under this section will not exceed a cap of $50,000.
Subd. 3. Dates of Payment.

a. **Timely Notice of End-of-Year Retirement or Resignation.** If an administrator provides timely notice of end-of-year retirement or resignation on or before February 1 of the school year, severance pay will be paid in two equal installments with the first payment within 60 days of retirement or resignation, and the second payment on the first payroll day in January of the school year following retirement or resignation.

b. **Timely Notice of Mid-Year Retirement.** If an administrator provides timely notice of a mid-year retirement with at least 60 days notice, severance pay will be paid in two equal installments with the first payment within 60 days of retirement, and the second payment on the first payroll day in January of the school year following retirement.

c. **Timely Notice of Mid-Year Resignation.** If an Administrator provides timely notice of a mid-year resignation with at least 60 days notice, and the resignation is accepted by the school district with a resignation date that is approved by the district, severance pay will be paid in two equal installments with the first payment within 60 days of resignation, and the second payment on the first payroll day in January of the school year following resignation.

d. **Untimely Notice of Retirement or Resignation.** If an administrator fails to provide timely notice of retirement as set forth above, severance pay will be paid in one installment on the first payroll day in January of the school year following retirement or resignation. If an administrator leaves the district without district acceptance of his/her resignation, or without an agreement with the district regarding the effective resignation date, severance pay will be forfeited.

e. **Annual Aggregate Severance Pay Cap.** Notwithstanding the pay date provisions set forth in this subsection, the total Severance Pay for this bargaining unit in any given school year shall be capped at $250,000. Administrators whose retirement or resignation notices are otherwise timely, but that are received after reaching the annual severance pay cap based on the order in which retirement/resignation notices are received, may have their total severance payment delayed until the first payroll day in January of the school year following resignation. The annual severance pay cap may be increased at the sole discretion of the District. The exercise of the District’s discretion to extend the Severance Pay Cap for this bargaining unit shall not be subject to the grievance procedures of this Agreement.
Subd. 4. Payment.

a. Severance Pay under this Section shall be paid by the School District into the employee’s Minnesota Health Care Savings Plan (MHCSP). The payments are subject to maximum severance limitations contained in Minnesota law, as well as any limitations on health care savings plan contributions in federal or Minnesota law.

b. If an administrator completes and qualifies for a waiver of participation based on the health care savings plan criteria, and the waiver is presented to the School District at least two (2) months in advance of the administrator’s resignation or retirement date, payment under this section shall be paid directly to the administrator in one lump sum within sixty (60) days of resignation or retirement.

c. If an administrator who is eligible for Severance Pay under this article dies prior to submitting a notice of resignation or retirement, or after submitting notice but prior to the anticipated resignation or retirement date, severance pay will be paid to the administrator via payroll or to the administrator’s estate and not to the MHCSP.

Section 13.2 Retiree Recognition. The District will initiate an Employee Recognition program designed to acknowledge and commend service to District 742 schools.

ARTICLE XIV

Upon the recommendation of the Administrator’s supervisor, the School District may pay the annual dues for state and national professional organizations that pertain to the duty assignment of the Administrator, in an amount not to exceed $950 per contract year.

The School District encourages members of the Association to participate in state and national conferences and professional development opportunities that are aligned to their roles and work responsibilities.
