Dear Retirees:

On behalf of the entire St. Cloud Area Schools community, I would like to thank each and every one of you for your dedicated years of service to District 742. I know this spring did not allow for the commemoration you may have envisioned, but please know that we celebrate this milestone with you and sincerely congratulate you on this next exciting stage of life.

Each and every one of you has played an important role in the success of our students and our schools. Your dedication can be seen in the hallways, on the athletic fields, in the classroom and at the hands of every senior receiving a diploma at graduation. You are a large part of the reason we are 742 Proud!

As superintendent, I thank you for your professionalism, contributions and commitment to St. Cloud Area School District. Your passion for your job is reflected in those you leave behind to continue your legacy.

Stay well and enjoy your retirement!

 Willie Jett
 Superintendent
