About St. Cloud Area School District 742

The mission of the St. Cloud Area School District is to create a safe and caring climate and culture in which we prepare, engage, educate, empower and inspire all learners in partnership with their community to be successful in today's and tomorrow's society. Our caring and committed staff members deliver learning for a lifetime to a diverse population of students in nine St. Cloud area communities. District 742 is the largest school district in Central Minnesota, proudly sharing the gift of education with over 10,000 students each school day.

Located 70 miles northwest of Minneapolis-St. Paul, we bring the world's ideas into every schoolroom. Our licensed staff, nearly 70 percent of whom have advanced degrees, teach challenging classes that use the latest technology as well as tried-and-true instructional methods. District 742 has eight elementary schools, three middle level schools (6-8), two high schools (9-12), three alternative learning schools, an early childhood center and a community education center. The high schools offer an array of AP courses and other opportunities to prepare students for post-secondary education. Students are encouraged to participate in their choice of athletic, scholarly and fine arts activities.
