1. Every effort will be made to keep each walking route open during the days and times listed. Buildings may be closed prior to end of the scheduled walking times if no walkers are present at that time. District 742 reserves the right to close a building when there is not an afterschool activity scheduled for that day.
2. All walkers must wear their ID bands while walking as building personnel need to be aware of who is in the building. The bands indicate your purpose for being in the building. All district policies, safety and weather procedures must be followed.
3. Children accompanying registered adult walkers must also be registered through Community Education and walk with the adult. No unsupervised children are permitted. Please keep children with you at all times.
4. Please check each school's map to find out which door is preferred for entrance. Adhere to walking route and safety procedures. At times, some buildings may need to close gates for security reasons altering the route.
5. Black soled shoes are prohibited. District 742 is not responsible for valuables.
