- D. The School District supports the inclusion of religious music, art, drama, and literature in the curriculum and in school activities provided it is intrinsic to the learning experience and is presented in an objective manner without sectarian indoctrination.
- E. The historical and contemporary values and the origin of various religions, holidays, customs and beliefs may be explained in an unbiased and nonsectarian manner.

 - 1. The proposed activity must have a secular purpose.

2. The primary objective of the activity must be one that neither advances nor inhibits religion.
 3. The activity must not foster excessive governmental relationships with religion.
 4. Notwithstanding the foregoing guidelines, reasonable efforts will be made to accommodate any student who wishes to be excused from attendance at school for the purpose of religious instruction or observance of religious holidays.
