District 742 Preschools are offered at 10 locations for children of all ability levels and is staffed by licensed preschool teachers and paraeducators. Through hands-on and age-appropriate learning activities, preschool children build confidence and self-direction, learn to follow directions, manage change and resolve conflicts peacefully. Class sizes are kept small in order to provide individual attention for each child.

The District 742 Early Childhood Education Program has earned the highest possible "4-Star Parent Aware" rating from the Minnesota Department of Human Services. Parent Aware ratings are based on demonstrated use of best practices that prepare children for kindergarten.

Children must be 3 or 4 years of age by Sept. 1 to participate. All classes will begin in the fall and follow the District 742 school calendar.

About Our Preschool

Registration Form
Children are naturally curious and eager to learn. Preschool offers a positive and playful environment to help nurture the social-emotional, physical and intellectual development of children. Several preschool classrooms utilize a co-teaching model that partners a preschool teacher with an early childhood special education teacher in the classroom, allowing for lower student to staff ratios and making available the expertise of a special education teacher.

**SOCIAL/EMOTIONAL GROWTH**
- Develop positive, constructive relationships
- Build self-confidence, self-respect and respect for others
- Learn to cooperate, negotiate, follow directions and problem solve
- See themselves as part of a diverse community

**PHYSICAL GROWTH**
- Develop small and large motor skills
- Develop independence and self-help skills

**INTELLECTUAL GROWTH**
- English Language Arts: Reading, writing, rhyming, sight vocabulary, sequencing and retelling, alphabet and sounds
- Math: Numbers, counting, graphs, measuring, patterns, estimation, addition, subtraction, shapes, classification, money and telling time
- Social Studies/Science/Health: Community helpers, careers, maps and globes, family, diversity, seasons, weather, environment and healthy eating habits
- Fine Arts/Computers: Art, music, dance, physical education, creative drama and computer experience

**NURSING SERVICES**
Nursing services work with schools and families to promote health education and ensure a safe and healthy school environment. Licensed school nurses provide:
- Medication management
- Development and implementation of health care plans
- First aid and illness management

**TRANSPORTATION**
Bus transportation is available within designated boundaries to all preschool locations for a fee. Students who are in Voluntary Pre-K or who qualify for scholarships may receive transportation at no cost. For questions or information about transportation, call Early Childhood Education at 320-370-8250.
