## Technical High School

The Spanish Immersion students at the High School level are blended into the World Language classes. Many students will be ready for Spanish 4 or Spanish AP Language and Culture.

- Grade 9: Students will have the opportunity to participate in the Spanish Immersion Capstone Trip in March that immerses students in the target language they have learned for a decade.
- Students will continue to work on their proficiency levels with the expectation of taking AP Spanish Language & Culture and AP Spanish Literature & Culture.
- Students may also choose to participate in the High School Spanish trip to Costa Rica.

## Clearview Elementary School

Clearview Elementary hosts the Spanish Immersion program for students in grades K-6. Beginning in the 2017-18 school year, sixth-graders will attend South Junior High School

- Grades K-5: Students are taught math, science, social studies, language arts and health in Spanish, based on the Minnesota State Standards.
- Grade 6: Students are taught all subjects in Spanish except math.
- Grades 3-5: Students receive formal English instruction. Many students exceed non-immersion students in their English language arts skills by the end of 5<sup>th</sup> grade.
- Research has consistently shown that immersion students do as well or better than comparable non-immersion students on measures of verbal and mathematical skills. Immersion students at all grade levels in District 742 generally score higher on the reading and math MCA's than students across the state.
