

A Safe and Caring School

About

Lincoln Elementary School

Emphasizing Social-Emotional Learning

Lincoln utilizes the strengths of its staff to provide many services to meet the social-emotional needs of all students. This includes:

- Proactive breaks
- MindUP lessons
- Full-time counselor and social worker
- MTSS process to reflect on evolving needs

Focusing on Success for All Students

The Lincoln school family values a culture of academic and personal growth that fosters success for all.

- Mindful lesson planning through a multicultural lens
- Powerful instruction through a multicultural lens
- On-going analysis of assessment through a multicultural lens
- Creating a multiculturally conscious professional community

Family Engagement

Lincoln strives to connect with families in multiple ways and provide chances for families to stay in touch.

- Parents in Action
- PTA
- Newsletter
- Texting Reminders
- Facebook and Twitter
- Website
- Parent/Teacher Conferences
- Family Fun Nights

Schoolwide Programs

Meeting the Needs of All Students

The Lincoln Elementary family believes that the best way for students to achieve personal and academic success is through frequent, positive interactions among staff and students as well as interactions with students that honor and value their diversity and uniqueness.

- PBIS: Positive Behavioral Interventions and Supports
- CLR: Culturally and Linguistically Responsive teaching and learning.

Technology-Based Instruction

In addition to the schoolwide computer lab, students in grades kindergarten through second have the chance to utilize iPads while students in grades three through five are provided Google Chromebooks in the classroom. Each classroom comes equipped with a SMART Board and SMART software that is transforming education each day.

To compliment these resources, we have a fully-implemented online Math (My Math) and Literacy (Wonders) curriculum that can be accessed during instruction or at home. Grades three through five also have full-access accounts to ALEKS, an individualized online math program.

Beyond the Classroom

Providing Academic Achievement Opportunities

In addition to meeting the rigorous demands of academic standards in the general education setting, Lincoln offers a purposeful blend of remediation and enrichment.

- Young Scholars
- MN Reading Corps
- ADSIS
- PAKRAT
- Yearbook
- Knowledge Bowl
- Student Council
- Book Buddies
- Co-Teaching Model
- Special Education
- Target Services

Fine Arts and Movement

Integrating Curriculum

Art, media technology, music and physical education are integral in the development of all students at Lincoln. The specialty teachers work in conjunction with classroom teachers to deliver an integrated curriculum.

Music

- K-5 general music programming
- Choir
- Orchestra

Art

- Instill the creative process for learning
- Art Means Incredibly Creative Kids

Physical Education

- K-5 general fitness programming
- After-school rollerblading and bicycling clubs
