ACCESSIBILITY

- School and parent engagement is made accessible for all parents by the following:
 - Holding events during various and extended time periods to accommodate schedules
 - Providing snacks-light meals to encourage all families to be able to participate
 - Providing materials and resources for all families to participate in learning at home
 - Transportation and/or child care as needed, allowing for attendance and engagement in meetings, etc.

COMMUNICATIONS

- We communicate with non-English speaking families through translators and Bi-Lingual Communication Support Specialists at conferences, parent, and family events.
- Important written information is translated for families in our most common majority languages.
- Family visits occur when transportation is a barrier to communication.

We believe that our families and community are key to student achievement and the success of our school. In order to meet the school's goals, we need your input in decision making throughout the school year. Please join us for the opportunities below.
