On November 3, 2015, St. Cloud Area School District 742 and the Board of Education will be asking voters to decide on a proposed building bond referendum in a special election.

If voters do not approve the referendum, resources will continue to be needed for the maintenance and repairs at Tech and Apollo while the structures continue to age and deteriorate. The estimated cost of this maintenance is $140 million over the next ten years.

$140 Million

The estimated tax payer expense for maintaining the current Tech and Apollo high schools over the next ten years.

Voting Information

Voter Registration

Eligible voters who are not currently registered to vote can register at their polling place on Election Day. Voters, however, are encouraged to pre-register before Election Day to save time at the polling place. Go to www.isd742.org/bond2015 to download the voter registration application or go to the District Business office.

Absentee Voting

All eligible voters have the option to vote early using an absentee ballot instead of voting in person at their polling place. Voters can vote absentee by mail or in person at the District Business office until 3 p.m. on election day. Ballots sent through the mail must be received by 8 p.m. on Election Day.

To request an absentee ballot application go to www.isd742.org/bond2015. Election officials will mail the absentee ballot materials, along with a Voter Registration, if necessary.
