PURPOSE

The purpose of this meeting is to share the current status of the New High School Design.

PRESENTATION OUTLINE

A. Review of Project Parameters

B. PROJECT INFORMATION UPDATE
   1. Site
      1. Meetings with City, County
      2. EAW
   2. Overall Building Plan
   3. CTE & Media
   4. Activities
   5. Music and Performing Arts

C. QUESTIONS
project parameters

- Referendum question amount of $104.5 million
- Construction budget of $83.5 million, building and site
- 1600 student capacity (vs. 1800)
- 320,000 square feet (200sf/student)
- 800 seat auditorium (vs. 1200 seats)
- 3-station gym with 1 aux. gym, 4 gyms total
- Includes the pool as previously defined
- Re-starting in the middle of schematic design phase
- Building on the previous programming and design work
- Work with this High School Design Committee
WE SEE inviting, student-centered designs that integrate environmental, community and technological resources to cultivate a love of learning in all students. By celebrating beauty, function and sustainability, we build on a tradition of excellence that serves as a source of pride for students, staff and the community.
